

How to get to your free Norton Antivirus Software

- 1) Log into the CUNY Portal: <http://portal.cuny.edu>
- 2) Then look at navigation to your left. Click on last link: **CUNY eMail** (next to the Shopping Bag Image) [Note: if you get asked whether to display non-secure items, click o.k. This is not going to affect you.]

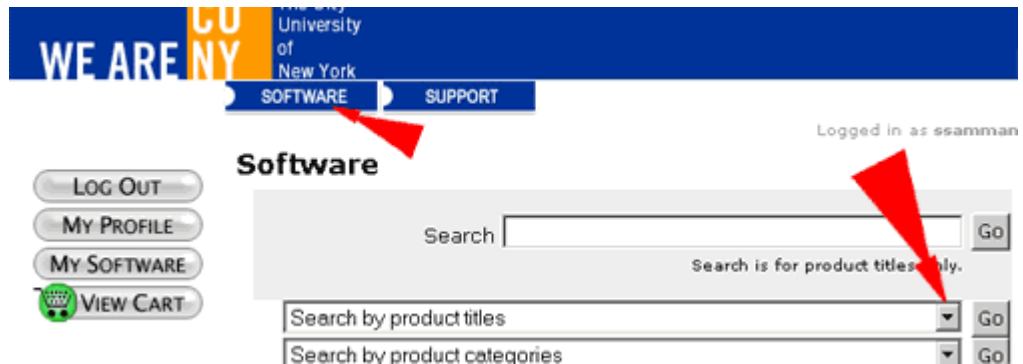

- 3) On the following page, click on "Software Center" (last link)

- 4) On the Software Center page find the "Here" link.

- 5) You'll be redirected to e-academy. Click on "**Software**". And on the next screen select "**Symantec Antivirus**" (if you already have a previous version installed, make sure you select the next one up.)

- 6) On the next screen click "**Add to Cart**". The rest should be clear. (Note: You have to agree to the license agreement.)
