Summer 2017

Financial Aid at City College

Summer Financial Aid (Federal Pell Grant, Federal Direct Loans, NY State TAP Grant) is available for qualified, matriculated City College students. Students must register for and attend at least six (6) credits, to receive a Federal Direct loan or NY State TAP. To receive Federal Pell grant funds, for those who qualify, the minimum enrollment is one (1) credit.

To request summer financial aid, a student needs to complete the 2016-2017 and a 2017-2018 FAFSA and TAP applications, as soon as possible. Students should indicate that they plan to register for the Summer 2017 session at City College on their 2017-2018 FAFSA and TAP applications.

City College students may be eligible to receive the following types of financial aid during a summer semester.

- **Federal Pell Grant (FPell)**
  For summer 2017, a student may use either unused FPell from 2016-2017 (referred to as “Back-End” FPell) or a portion of their Spring 2018 FPell award (referred to as “Front-End” FPell).
  To qualify for a Summer Pell award, students must also be:
    - maintaining satisfactory academic progress (SAP) and
    - have remaining FPell eligibility (the lifetime limit, for FPell grants, is 6 years or 12 full-time semesters or the equivalent).

  **Back-End FPell:** A student will have Back-End FPell grant funds, available to use during the summer if they did not attend full-time in both the Fall 2016 and Spring 2017 semesters.

  **Front-End FPell:** If a student is awarded a FPell Grant for 2017-2018, they may use a portion of their Spring 2017 award or their entire Spring FPell award during the summer. (The number of credits a student enrolls for will determine how much of the Spring 2018 FPell award may be used for summer attendance.)

  (See pages 2 & 3 for Summer Pell Request forms)

- **William D. Ford Federal Direct Loan (Direct Loan)**
  In order to receive a Direct loan for the Summer, a student must be registered for at least (six) 6 credits, and be maintaining satisfactory academic progress. (Loan funds borrowed during the summer will be counted toward the student’s academic year loan maximum for 2017-18.)

- **Tuition Assistance Program (TAP)**
  Summer 2017 TAP, if awarded, will be refunded in October of the following year, (ie. October 2018).

  Students qualify for summer TAP only after earning at least 24 credits applicable towards their degree program at City College.

  - The 24 credits must be earned in the prior two semesters preceding the start of the semester.
  - The student must be full-time in the term preceding the semester.
  - The student must be in good academic standing prior to certification of the semester.
  - Transfer credits cannot be included in the 24 credit requirement.
In order to use Federal Pell Grant funds toward your Summer 2017 registration bill you must:

1. be eligible for a Federal Pell Grant Award;
2. have a 2016-17 FAFSA on file and have remaining Federal Pell Grant eligibility or have a 2017-18 FAFSA on file and be eligible for a 2017-18 Pell award;
3. be in good academic standing and making satisfactory progress;

Note: After your Spring 2017 grades are posted, if it is determined that you have not met the federal academic requirements to qualify for 2017-18 financial aid, you will be required to pay your Summer 2017 tuition bill.

4. understand that if you do not attend or complete your Summer 2017 classes, Pell may not pay your tuition liability. In this case you must pay the outstanding Summer 2017 tuition bill;

5. sign the statement below and complete a Summer Federal Pell Payment Request form.

I have read the statements above. I understand that if I use a 2017-18 Federal Pell Grant payment for Summer 2017, and I enroll as a full-time student during the Fall 2017 and Spring 2018 semesters, my Spring 2018 Federal Pell Grant award will be reduced.

I would like to use my Federal Pell award toward my Summer 2017 tuition and fees:

- I have remaining 2016-17 Federal Pell grant funds.
- I will use some of my 2017-18 Federal Pell grant funds.  (This will reduce the Spring 2018 Pell award.)
