SPONSOR SUPPORTING EVIDENCE

A sponsor must show sufficient income and/or financial resources to assure that the student being sponsored will not become a public charge (receive Federal or State low income benefits or services) while in the United States. Applicable evidence of the sponsor's situation, as determined by the accepting school official, should consist of copies of any or all of the following documentation listed below. Failure to provide evidence of sufficient income and/or financial resources may result in the denial from the CUNY campus of the students' application for Form I-20 (Immigration Certificate of Eligibility). Additionally, such failure to provide similar documentation to the Consul Officer may result in denial of an F-1 Visa application.

* Please note that we **only** accept statements pertinent to liquid, low risk accounts as proof of financial support. Accounts such as retirement savings accounts and stock, no matter how stable the investment, will not be accepted as evidence of financial support.
