The CUNY Policy on Sexual Misconduct mandates that any employee who falls under the "Responsible Employee" category must report to the Title IX Coordinator any incident they learn of or is disclosed to them regarding incidents of sexual harassment, gender based harassment, sexual violence, domestic violence, intimate partner violence, and stalking. Please review the following information for guidance.

1. ARE YOU AN EMPLOYEE WITHIN THESE DEPARTMENTS OR TITLE?

YES: You are a Responsible Employee. You should report to the Title IX Coordinator any incident they learn of or is disclosed to them regarding incidents of sexual harassment, gender based harassment, sexual violence, domestic violence, intimate partner violence, and stalking.

NO: You are not a Responsible Employee. However, we strongly encourage that you report.

2. NOW THAT YOU KNOW YOU ARE A RESPONSIBLE EMPLOYEE WHEN DO YOU REPORT?

Once you learn of an incident, whether by your own observation, a third party reporting to you, or the person mistreated reporting to you directly you MUST report information immediately to the Title IX Coordinator. The Title IX Coordinator at CCNY is Diana Cuozzo who can be reached by email at dcuozzo@ccny.cuny.edu, or phone at (212) 650-7330.

3. WHAT IF THE PERSON IS JUST “VENTING” TO YOU ABOUT AN ISSUE?

NO: If it does not involve sexual misconduct, you should advise them of the services at CCNY and give them contact information for Public Safety or Student Affairs depending, on the issue. If you have concerns about the student’s mental health, you can also direct them to the Counseling Center/ Health and Wellness Services.

YES: As soon as you learn of the subject matter, you should advise the student that you are a Responsible Employee and therefore, obligated to report this incident to the Title IX Coordinator. You should inform them that information will only be shared on a need to know basis and the Title IX Coordinator can assist them with resources, answer any questions and explain the process.

4. WHAT IF THE PERSON SAYS THEY WANT TO MAINTAIN CONFIDENTIALITY?

Prior to hearing the details, you should advise the individual(s) that you may not maintain confidentiality due to your role as a Responsible Employee. However, you may be respectful of their privacy and explain you will only share this information with the Title IX Coordinator and possibly their Supervisor. If a student wishes to remain confidential, then you should refer them to confidential resources on campus, including Sophia English, Psychological Counselor/Confidential Advocate in the Diversity and Compliance Office or Gender Resources of Health and Wellness Services. If the individual reporting is an employee there is no appointed confidential person(s) on Campus, however, please inform them of the Counseling Services under CUNY Employee Assistance Program.

5. WHAT IF THE INCIDENT INCLUDES DRUGS AND/OR ALCOHOL?

When a student is reporting an incident of sexual misconduct there is a Drug and Alcohol Amnesty Policy in place to protect them for getting in trouble for using drugs or alcohol, during, before or after the alleged incident. Therefore, you may disclose to the individual that they will not get in trouble for being disciplined for any use of drugs or alcohol in connection with the incident, unless it is used as a means to harm someone else.

6. WHAT IF THE INDIVIDUAL IS AFRAID OF RETALIATION IF IT IS REPORTED TO THE TITLE IX COORDINATOR?

Prior to hearing the details, you should advise the individual reporting the incident that CUNY has a strict retaliation policy which protects those reporting an incident against any retaliation from the accused or third party. This protects anyone who reports the incident, is a witness to the incident, is the alleged victim, or any way involved with the investigation. If retaliation occurs it should be reported immediately to the Title IX Coordinator.
