

HOW TO USE DEGREEWORKS

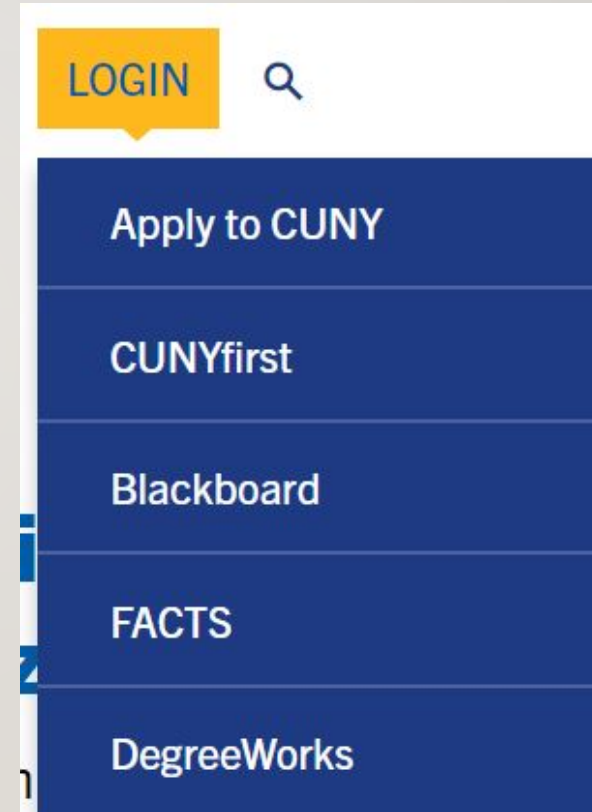

- Very important tool to graduate on time

WHAT IS DEGREEWORKS?

- An online advisement tool for keeping track of a students' academic progress and degree requirements
- Can be used to track courses and plan future course registrations
- View individual course grades and Grade Point Average (GPA)
- Use the "What if" option to calculate GPA for a future course or how a course applies towards your major

HOW TO LOGIN

- You can reclaim your credentials by going to www.cuny.edu
 - Click Login on the upper right corner
 - Scroll to DegreeWorks
 - Login with your CUNYFirst Credentials

DEGREEWORKS

- Click on the college you need. If you transferred from another college, you will see the other school listed here too.

"WHAT IF" OPTION

HELPFUL IF YOU WOULD LIKE TO CHANGE MAJOR OR VIEW
THE CURRICULUM OF A DIFFERENT MAJOR

- Select academic year to view your General Education Requirements in a different curriculum year
- Select Major and Minor or Concentration to view the courses associated with the degree
- After selecting all necessary information, select "Process What-If" on top to view the hypothetical courses and academic plan for your selected major.

GPA CALCULATORS

- **Graduation Calculator** – Estimates the average GPA per semester required to achieve your desired GPA
- **Term Calculator** – Estimates how your current courses will impact your GPA
- **Advice Calculator** – Estimates the number of credits and grades you need for your desired GPA

TOOLS: GPA CALCULATOR

- Keep Track GPA and estimate how much your GPA will be at the end of the semester
- For more help contact your counselor for more information on withdrawing or dropping a class.

REVIEW YOUR CURRICULUM

Once you declare your major, DegreeWorks will keep track of all the classes you have taken and need to take.

This will help you track of your classes and keep you on schedule to graduate on time.
