By Email ace@ccny.cuny.edu

YOU MAY BE ELIGIBLE FOR TUITION ASSISTANCE OR VOUCHERS FOR MANY OF OUR COURSES

ENROLLMENT REQUIREMENT
You must have a High School Diploma/GED to enroll in most of our certificate programs.

PAYMENT PLANS
Students may apply for a payment plan on open courses with tuition of $500 or above. Payment plans must be done in person. If interested, please visit the Office of Continuing and Professional Studies. A 50% payment is required for payment plans, some exceptions may apply, and a credit/debit card must be maintained on file. Full tuition must be paid before the course begins.

REFUND POLICY
If CPS cancels a course, a 100% refund, including the registration fee, will be given. If a student cancels, a refund request must be submitted in writing (via email or in person) five business days prior to the first day of class. If the student withdraws at least five business days prior to the first day of class, a 100% refund will be given (less the $25 registration fee).

There are no refunds on one or two day workshops, unless class in not offered. Non-attendance does not constitute a withdrawal or request for refund. A refund takes approximately 6 to 8 weeks after the Office of Continuing and Professional Studies receives the request. Refunds are credited to the card charged. Money orders and business check payments are refunded with check mailed 6 to 8 weeks after a course withdrawal or cancellation has been approved. Refunds are not given after the first class session.

ONLINE CERTIFIED NURSING ASSISTANT (CNA)

PREREQUISITE: High School Diploma or GED/HSE

This 130-hour program is approved by New York State Education Department and provides both classroom instruction and a 30-hour clinical externship. Coursework includes anatomy and physiology, basic life support, and the fundamentals of patient care. During the final six weeks of class, students are assigned to a clinical externship in a nursing home.

CNAs work under the supervision of a registered nurse (RN), licensed practical nurse (LPN), physician assistant (PA), nurse practitioner (NP), medical doctor or other supervisory staff in a healthcare facility. Students will learn how to assist patients with daily living tasks and provide basic care services such as bed making, grooming, and taking vital signs.

If the clinical rotation is not completed in the class for which you registered, you will be required to pay a fee for a newly scheduled clinical rotation. Textbooks, medical exam, uniform, CPR certification, and certification exam fee not included in tuition.

Due to COVID-19, please call us at (212) 650-7312 for updated clinical information.

ONLINE/HYBRID CERTIFIED CLINICAL MEDICAL ASSISTANT (CCMA)

CERTIFIED BY THE NATIONAL HEALTHCARE ASSOCIATION (NHA)

PREREQUISITE: High School Diploma or GED

This 472-hour online course is designed to prepare students to work as multi-skilled health professionals, and perform administrative and designated clinical duties under the direction of a physician. Administrative duties may include scheduling appointments, maintaining medical records, billing and coding for insurance purposes. Clinical duties may include taking and recording vital signs and medical histories, preparing patients for examinations, drawing blood and administering medications as directed by a physician. With the integration of these two skills students will gain sufficient knowledge to perform a variety of a medical assistant tasks and to prepare individual for the National Health career Association certification examination. Most medical assistants work in physicians’ offices, hospitals, outpatient clinics, and other healthcare facilities.

The clinical part of the course will be in the classroom setting and the administrative part is offered online only which incorporates two innovative software: Moodle.org and Bluejeans.com.

Upon completion of the course students are encouraged to take the Certified Clinical Medical Assistant certification examination by the National Health career Association. **NHA examination fee is not included in tuition**

According to the US Department of Labor outlook handbook, “the employment of medical assistants is expected to grow 23 percent from 2018 to 2028, much faster than the average for all occupations. MA job postings increased at least 9% each year. The growth of the aging baby-boom population will continue to increase demand for preventive medical services, which are often provided by physicians. As a result, physicians will hire more assistants to perform routine administrative and clinical duties, allowing the physicians to see more patients.”

Having CCMA accredited certification can help you stand out. MA has laddering opportunities to become a patient coordinator, health coach, health manager and patient navigator.

CERTIFIED PROFESSIONAL CODER (CPC-AAPC)

PREREQUISITE: High School Diploma or GED/HSE

The Office of Continuing and Professional Studies (CPS) at The City College of New York (CCNY) is proud to launch its very first “Online Certified Professional Coder course, in partnership with MedStar Billing Technology and Resources, a company that provides healthcare transaction processing services for doctors and an innovator in providing training to healthcare professionals for over a decade. MedStar is an approved AAPC provider.

This 200-hour synchronous online Certified Professional Coder course includes the principles of transforming, abstracting and analyzing clinical healthcare diagnosis, procedures, medical services, and equipment into universal medical alphanumeric codes taken from medical record documentation. This integrates with the three main required code books: Current Procedural Terminology (CPT), International Classification of Diseases-10—Clinical Modification (ICD-10-CM) and Healthcare Common Procedure Coding System (HCPCS Level II). Course is designed for anyone who has the desire to work as a medical coder in any outpatient setting and prepare for AAPC’s CPC certification examination.

A Certified Professional Coder works as Medical Coder, Medical Records Technician, Medical Record Field Reviewer, Clinical Documentation Specialists, Clinical Reviewers, Medical Record Coders, Medical Abstractor, Project Field Reviewer, Payment Integrity Auditor (PIA) in any related outpatient setting.

The CPC title is nationally recognized as the gold standard for physician-based medical coding and the most recognized and respected medical coding certification in the healthcare industry.

All instructors are AAPC- CPC and CPC-I certified with at least 10 years of experience as coders and coding instructors.

Upon completion of the course students are encouraged to take the Certified Professional Coder by the American Academy of Professional Coders.

According to AAPC,

passing the CPC exam elevates your earning potential by greater than $20,000 above annual salaries for persons without AAPC’s medical coding certification. And CPC salaries, average $54,401 in 2018, maintain a 9% increase each year. What’s more, the demand for certified medical coders continues to grow, with a 22% rise in jobs projected by 2022.

Students must pass the class with a minimum grade of 75% to qualify for exam.
