

# Welcome to City College\*

## **Our Mission**

Since its founding in 1847, The City College of New York (CCNY) has been true to its legacy of access, opportunity, and transformation. CCNY is as diverse, dynamic, and boldly visionary as the city itself. CCNY advances knowledge and critical thinking, and fosters research, creativity, and innovation across academic, artistic, and professional disciplines. As a public institution with public purpose, CCNY produces citizens who make an impact on the cultural, social, and economic vitality of New York, the nation, and the world.

## **CCNY Green**

CCNY is committed to becoming a sustainable campus and lowering its carbon footprint. We are adapting the way we teach, learn, conduct research and operate as an institution in order to reduce our greenhouse gas emissions. We ensure campus sustainability by fostering environmentally sound habits and behaviors across the campus while engaging the Harlem community. CCNY will carry out this mission by exercising leadership in education and research, always mindful of our urban setting and the needs of the richly diverse population that we serve.
