- The latest version of the curriculum sheet supersedes any curriculum and pre-/co-requisite information in the Undergraduate Bulletin or online.
- “C” Passing Grade Requirement:** Courses in shaded area (□) require a minimum passing grade of “C”.
- Skills tests:** Certain students may be required to pass CUNY Assessment Tests in one or more subjects within 1 or 2 years of admission.
- Liberal Arts electives:** EE students must take **six** approved courses, of which at least two must have course numbers of 20000 or higher. **Four** of the courses should satisfy Flexible Core (Pathways) liberal arts requirements in the Creative Expression (CE), World Cultures & Global Issues (WCGI), Individual & Society (IS), and U.S. Experience (US) areas. Prior courses in these four areas from other colleges can satisfy the electives. The remaining **two** courses must be chosen from the list on the Grove School of Engineering web site at ccny.cuny.edu/engineering/gen-ed.
See ccny.cuny.edu/engineering/pathways for details and the Pathways course lists. A prior degree may remove the requirement of all six courses.
- Lecture Elective Requirements:** Total 6 courses (18 credits) with at least 3 courses (9 credits) from EE courses.
- Other Graduation Requirements:** Apply for graduation during registration for the last semester. Minimum GPA of 2.00. Minimum QPA of zero. Residency Requirement: 36 credits of 30000-level or higher Electrical Engineering courses taken at CCNY.
- Transfer students with credit for Math 20200/21200 (Calculus II)** are considered too advanced for Engr 10100. They should take a 1-credit advanced EE lab instead. FIQWS 10026 fulfills the requirements for Engr 11000 and Engr 10100.
- Program Changes:** Substitution of other courses for required courses must be approved by the Chair of the Electrical Engineering Department (ST- 602), and the Associate Dean of the Office of Undergraduate Affairs (ST 209).
- ENGL 21007 (Writing for Engineering)** is a required course in the electrical engineering major instead of a General Education requirement.
