*finding a fantastic summer camp*

Whatever your goals, CCA@YourService can assist!

Summer camp is not only a great way for kids to stay active and try new activities, but the experience also promotes social and emotional development. Whether you're planning for in-person or virtual camp, **CCA@YourService** can help. The program provides a range of assistance such as:

- Information and referrals for camps nationwide
- Information on topics related to outdoor safety, addressing separation anxiety, and more
- Financial consultation to help manage camp expenses
- Counseling for any stress or anxiety you're facing—with in-person and video appointments to fit your schedule

ALWAYS AVAILABLE. ALWAYS CONFIDENTIAL.
