Finding other elective course options in the Summer 2023 term

The best way to find course options is through the CUNY Global Class Search page:

<https://globalsearch.cuny.edu>

'City College' and the 'Summer 2023' term are chosen on the first page and then the second page should be filled out like this:

The screenshot shows the 'Search for Classes' form on the CUNY Global Class Search page. The form is titled 'Enter Search Criteria' and includes the following fields and options:

- Subject:** A dropdown menu with 'Black Studies' selected. A red arrow points to this field with the text 'Enter the department here'.
- Course Career:** A dropdown menu with 'Undergraduate' selected. A red arrow points to this field with the text 'Choose 'Undergraduate' here'.
- Course Attribute:** A dropdown menu.
- Course Attribute Value:** A dropdown menu.
- Requirement Designation:** A dropdown menu.
- Show Open Classes Only:** A checked checkbox. A red arrow points to this checkbox with the text 'Leave this boxed checked to see open classes only'.
- Session:** A dropdown menu.
- Mode of Instruction:** Radio buttons for 'Hybrid', 'In Person', and 'Online'.
- Additional Search Criteria:** A link to expand search options.
- Buttons:** 'BACK', 'CLEAR', and 'SEARCH' buttons at the bottom. A red arrow points to the 'SEARCH' button with the text 'Click 'Search''.

This will bring up the full list of courses offered by the selected department, which you can then go through one by one to determine if the courses are right for you. Keep in mind that many courses have prerequisite requirements. Contact an advisor with any questions.
