Fall 2023 Infrastructure Job Training
Open to the public

Enroll Today!

Baseline Training (40 hours over 2 weeks)
- Receive initial awareness training in infrastructure including transportation, buildings, energy, water, and food. Receive extensive orientation about infrastructure jobs and meet employers.
- Develop essential digital skills widely used in infrastructure including spreadsheets (EXCEL) and Geographic Information Systems (GIS).
- Learn how to operate under current societal priorities for equity, worker safety, sustainability, resilience, climate change mitigation and adaptation.
- Receive personalized mentoring and career services.

Catalyst Training (duration varies based on path)
- Qualify for the catalyst training phase in close consultation with the staff of the Charles B. Rangel Infrastructure Workforce Initiative.
- Based on your evolving skill set, experience, and personal interests you may qualify for (a) internships (i.e., external or on-campus), (b) additional training toward advanced certifications, or (c) other focused training in high-demand areas (e.g., drones and instrumentation).

Contact us at 212-650-6281 and rangelinfrastructure@ccny.cuny.edu
Website: www.ccny.cuny.edu/rangelinfrastructure
First Day of Training: Sept. 25, 2023, at 8:00 am for the onboarding process
Shepard Hall, Room 051, 160 Convent Avenue, City College of New York

Baseline Training
40 hours over 2 weeks – weekdays from 8:30 am to 12:30 pm
