4. Select the type of service:
   • Your intended major determines your Advising Office. Click here for information about which Advising Office houses your major and see below for additional information about intended majors.
   • If you’re keeping the same major that you were admitted to, even if that is “Undecided” select New Freshman Academic Planning.
     i. EXCEPTION: Grove School of Engineering Majors: Select the “New Freshman” advising service for your major. Please note that to be advised by Grove, you must have a Math Placement of Math 20100 (Calculus 1). Math Placements will be posted on your MyCity Page. If you do not have a placement, schedule a math placement via your MyCity page. If you were not placed in Math 201 and wish to pursue engineering, you will be advised by The Hub and should choose ‘New Freshman Academic Planning’.
   • If your intended major has changed:
i. Select ‘New Freshman Major Change’ and schedule an appointment with the Advising Office that houses your new intended major. (click here if you’re not sure which office to select).

ii. If you are changing to undecided choose “New Freshman Academic Planning” with The Hub.
