

Biosafety Training Advisory

Laboratory staff working with biological materials or in Biosafety Level 2 labs are required to take **general biosafety training**.

This training is available online through **CITI** via the City University of New York.

Individuals using this training option should take the course labeled “**Initial Biosafety Training**”.

How to register for the course:

1. Follow the guide provided by EHOS.

2. On the Select Curriculum page, choose “Take the Biosafety and Biosecurity (BSS) Course”.

3. On the next page, choose “Initial Biosafety Training”.
