

Opportunity and Challenges to transform patient care by implementing AI solutions in healthcare settings.

Thursday, Sep 26 2024, 5 PM | Zoom

With over a decade in Human-Computer Interaction, AI in Healthcare, and Data Governance, Dr. Mehdi Hasan has built a tech-driven public health portfolio. He has worked at WHO, BRAC, Toyota R&D, and IBM. Dr. Mehdi is a Senior Project Manager at Essen Healthcare in New York and a Visiting Lecturer at Waseda University, Tokyo. He also reviews for the International Journal of Advanced Computer Science and Applications and organizes HealthTech sessions at the Pacific Telecommunication Council. Dr. Mehdi holds a Ph.D. from Kyushu University and an M.Sc. from Kobe Institute of Computing and is a Monbukagakusho scholarship awardee.
