

## SHAPING TOMORROW'S CAMPUS, TOGETHER

CCNY is developing a campus plan to meet the challenges of the future. The plan will align investments in campus facilities, buildings, spaces & grounds to:

- SUPPORT student success, scholarship & teaching
- IMPROVE the campus experience
- AMPLIFY the cultural impact of the institution
- FORTIFY a sustainable future for CCNY

*Your input will ensure the CCNY Campus Plan establishes a vision that aligns future investments with the evolving needs of the CCNY community. You can share your perspective, experience & ideas through open house events, focus groups & surveys. Stay tuned for opportunities to participate and contribute to the future of CCNY!*

### TIMELINE

The Campus Plan is being developed over 9 months & will be completed by Summer 2025. Input from the CCNY community will be gathered throughout the process.

#### Phase 1: Information Gathering

Summer - Fall 2024

#### Phase 2: Vision & Priorities

Fall 2024

#### Phase 3: Options & Alternatives

Winter 2025

#### Phase 4: CCNY Campus Plan

Spring 2025

### PROJECT TEAM

CCNY is working with a team of planners, architects, landscape architects & engineers that are being guided by direct engagement with stakeholders, campus leadership, students, faculty & staff across the CCNY community.

### FUNDING

The CCNY Campus Plan is funded by the City University of New York & City University Construction Fund.
