

**Environmental Health and Occupational Safety**

To: All Authorized Users of Radioactive Materials  
From: Richard Belgrave, Radiation Safety Officer  
Date: January 30<sup>th</sup> 2025

Subject: Mandatory Radiation Safety Refresher Training

All authorized users of radioactive materials must complete a Radiation Safety Refresher training session to ensure continued compliance with radiation safety regulations and maintain a safe working environment.

This training, conducted in cooperation with the CUNY Central office by Chris Saganich of the Weill Cornell Medical Center, will cover essential radiation safety principles, updates on regulatory requirements, best practices for handling radioactive materials, and incident response procedures. Attendance is required for continued authorization to work with radioactive materials.

Thank you for your cooperation in maintaining a safe, compliant work environment.

**Date: February 21<sup>st</sup> 2025, 10:00 AM - 1:00 PM**
