

# Fire House Art Studio

## FIRE HOUSE RENOVATION – ART STUDIOS

The Fire House Renovation project, a renovation of the former Hook and Ladder Company 23 firehouse building at 504 West 140th Street, will provide a community gallery and studio spaces for the School's MFA program. Upon completion, the facility will have new stairs and elevator, new mechanical systems, a new entrance and restored façade, a fabrication shop space, art studios and support spaces.
