

Alas Migrantes Bilingual Vogue Femme Dance Workshop

Feel the beat, embody the legacy, and vogue with purpose!

Join the CCNY LGBTQ+ Student Center and the Haus of Luar for a dance workshop on the five core elements of high-energy and expressive Vogue Femme: hand performance, catwalk, duckwalk, floor performance, and spins and dips.

Open to all levels, participants will be introduced to each element step-by-step and will have the chance to explore how movement can be used to convey emotion, identity, and power and move boldly and unapologetically. We will also discuss the historical and current significance of house and ballroom culture in Latine communities. This workshop will be taught in both English and Spanish. Free refreshments provided.

Facilitated by Felix Luar CCNY Alumni and Founder of the Haus of Luar

RSVP:
