	Graduate	52	0.3%

METHODOLOGICAL NOTES

[1] Data represent initial fall enrollment counts as of 09/17/2026. Academic Unit is based on students' active academic plan as of the fall census. Students with multiple majors are counted only in the first academic plan. Percent values are based on column total,

[2] Full-time for Undergraduate students is based on enrollment of 12 or more credits, while Graduate students enrolled in 6 or more credits are labeled full-time.

[3] 'Others' include re-admits, permit-in, non-degree, and high school students.
