

Article I - Role of the Faculty

The Faculty of the Grove School of Engineering (GSOE) is a self-governing body which is responsible for:

- Approving curriculum and programs administered by the School and its faculty;
- Awarding of GSOE credits and granting of GSOE degrees and honors

Article III – Organization of Meetings

Section 10: All curriculum changes recommendations, submitted by the Curriculum Committee for Faculty action, shall be forwarded to the Faculty at least seven days before the meeting at which they are submitted for action.

Article VII – The Undergraduate Curriculum Committee

Section 1: Any proposed changes or additions to any of the undergraduate courses and programs administered by the School shall be referred by the appropriate department/program, following adoption, to the Undergraduate Curriculum Committee for report before their submission to the Faculty for discussion or vote.

Section 2: The membership of the Undergraduate Curriculum Committee shall consist of one faculty member from each undergraduate accredited degree-granting program of the School elected by the voting members of the Faculty as a whole, for a term of three years; and a student representative to the GSOE Faculty meetings, elected by the student representatives to the GSOE Faculty meetings for a term of 1 year. The Associate Dean of Engineering for Undergraduate Studies shall serve as an ex-officio member of this committee, and acts as its Executive Officer, responsible for coordinating the Committee's agenda and implementing its recommendations once approved by the Faculty, as a whole.

Article VIII - The Graduate Curriculum Committee

Section 1: Any proposed changes or additions to any of the graduate courses and programs administered by the School shall be referred by the appropriate department/program, following adoption, to the Graduate Curriculum Committee for report before their submission to the Faculty for discussion and vote.

Section 2: The membership of the Graduate Curriculum Committee shall consist of one faculty member from each graduate degree-granting program of the School elected by the voting members of the Faculty as a whole, for a term of three years; and a student- representative to the GSOE Faculty meetings, elected by the student representatives to the SOE Faculty meetings, for a term of 1 year. The Associate Dean of Engineering for Graduate Studies shall serve as an ex-officio member of this committee, and acts as its Executive Officer, responsible for coordinating the Committee's agenda and implementing its recommendations once approved by the Faculty, as a whole.
