The table shows licensure pass rates for students in traditional education degree programs, and students in alternative certification programs. Students are required by the state to take 2-4 exams in order to obtain certification.

\* Some Masters Degree programs have initial streams, additional initial streams, and or professional streams. Cert exam are only required for initial or additional initial teaching certificates.

\*\* If seeking the 5-9 cert in this science.

\*\*\* No pass rate calculated due to low number of test takers.

\*\*\*\* This program is for people already certified in either ECE, CE, or BIL CE. If already certified in ECE, they don't need to take this exam.
