

## The City College Department of Chemistry & Biochemistry

*Looks forward to hosting:*

### The 2016 Matriculants of the Chemistry and Biochemistry Ph.D. Programs

*For the annual:*

#### Gornick Family Fund Graduate Recruitment Program at CCNY

Sept. 12, 2016, at: The City College of New York,  
The Center for Discovery and Innovation (CDI) 85 St. Nicholas Terrace, New York, NY 10031

Dear members of the 2016 Cohorts in Chemistry and Biochemistry,  
We will be delighted to host you on September 12 so that you may learn more about us and get a chance to see our campus. We will host everyone for an information session and tour in the morning, followed by lunch and discussion. Afterwards the faculty will make themselves available for one-on-one meetings. **We ask that you: review the faculty websites, identify faculty members of interest, and email them in advance of Sept. 12 to arrange a meeting time. (<https://www.ccnycuny.edu/Chemistry>)**

#### Agenda for September 12, 2016

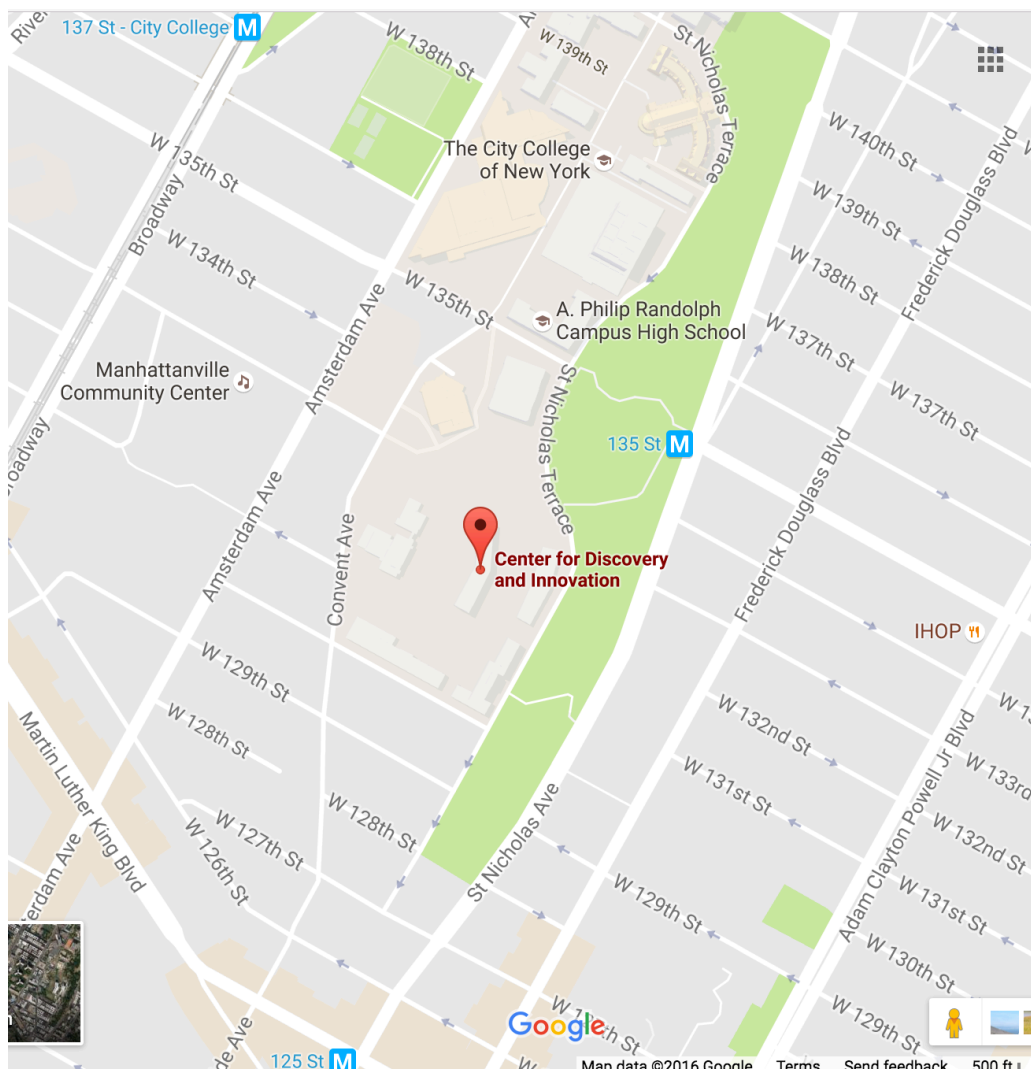

- 10:30 am      Arrival and welcoming  
Location: *lobby of the CDI (Please arrive promptly, access requires ID)*
- 10:40-12:00    Introduction from the faculty and information session.  
Location: *Seminar room, 4<sup>th</sup> floor: CDI 4.352*  
Introduction from the Chair of the Department (Prof. Akins)  
Organic Chemistry (Prof. Lakshman)  
Biochemistry, Biophysics, and Biodesign (Prof. Stark)  
Physical and Theoretical Chemistry (Prof. Hohenstein)  
Materials Science and Nanotechnology (Prof. Eisele)  
The ASRC and CDI (Dr. Trevino)  
Focus programs: GAANN (Prof. Stark) and CREST IDEALS (Prof. Tamargo)  
Graduate life at City College (Student representative)
- 12:00-12:50    Tour of the CDI, ASRC and Marshak Science Buildings.  
*Research labs, the ASRC facilities, the Marshak facilities and teaching labs.*
- 12:50-2:00     Lunch with faculty and City College graduate students  
*A buffet lunch will be provided in the ASRC cafeteria*
- 2:00-4:00      Individual meetings (30 mins or less) with the faculty and their research groups.  
*You should contact each faculty member in advance of Sept. 12 to request a meeting. A return visit may be necessary.*

*The Department of Chemistry and Biochemistry is very grateful to the Gornick family for their generous support of graduate student activities in chemistry at City College. Dr. Fred Gornick was an alumnus of City College and served as a professor of chemistry at the University of Maryland, from 1967 – 1998.*

## Navigating your way to the City College Center for Discovery and Innovation

[www.google.com/maps](http://www.google.com/maps)

Enter: 85 St Nicholas Terrace, New York, NY 10031

### By Subway:

Take the **#1 train** local to 137th Street and Broadway. Walk up 138th Street three blocks to Convent Avenue (for Marshak Building); down Convent Avenue to 133<sup>rd</sup> Street, then follow paved path up a small slope to the large glass structure (CDI Building).

Take the **A or D express, or the "B" or "C" local** to either 125<sup>th</sup> street (north exit is at 127<sup>th</sup> Street) or 135th Street and St. Nicholas Avenue, then walk up the hill. ASRC is nearest the park; CDI Building is just east of ASRC.
