PERFORMANCE RATING DEFINITIONS

OUTSTANDING

The employee's work performance excels well above the standards of the job tasks; or the circumstances under which the employee carried out the tasks were so extraordinarily difficult to make attainment of the normal standards an outstanding achievement.

EXCEEDS EXPECTATIONS

The employee's work performance is consistently at a high standard and is better than that required by the job tasks; or has merely attained the standards but the circumstances under which the employee carried out the task were so difficult that superior effort, knowledge, skills or abilities were needed to attain the normal standards.

MEETS EXPECTATIONS

The employee's work performance satisfies all the standards of the job tasks; the employee is dependable and consistent in performing all assigned duties and responsibilities. The employee is compliant with CUNY attendance and lateness policies.

NEEDS IMPROVEMENT

The employee's performance did not meet one or more of the attainable standards of the tasks; or would have been rated "Meets Expectation," but was not compliant with CUNY attendance and lateness policies. This level of performance cannot be of long duration. A re-evaluation is required after three months.

DOES NOT MEET EXPECTATIONS

The employee consistently fails to perform the duties and responsibilities of the job description; the employee's own lack of effort or of required knowledge, skills and abilities was responsible; or would have been rated "Needs Improvement", but also was not compliant with CUNY attendance and lateness policies. Performance has been consistently at this level despite sufficient and adequate attempts by the supervisor to correct performance. A re-evaluation is required after three months.
