Dear Student:

Welcome to the *Student Support Services Program. SSSP is an exciting, innovative program that benefits a selected group of undergraduate students at The City College. We work with college administrators, faculty and staff to assist you in succeeding academically & professionally. Students who engage in a variety of activities on campus and in our program forge forward in their professional lives with strong leadership skills.

Our program offers academic, personal and financial support. Each student is assigned a counselor who serves as an advocate throughout his/her program at the college.

We offer tutoring in many undergraduate courses with a computer lab linked to tutoring. We provide SSSP students with mentor, tutor, e-tutor, internship, work study and workshop leadership opportunities.

We hold enrichment activities such as workshops, a scholar showcase event, an award ceremony, and a cultural diversity program.

Students receiving Pell Grant aid and who demonstrate additional financial need may receive additional aid in the form of grant aid of up to $1,000. The aid is not tied to the CCNY Financial aid package.

Look out for weekly email updates. Best wishes for a successful and rewarding semester,

Elizabeth
SSSP Director

*Student Support Services at The City College is one of 900 plus programs offered across the nation and one of five TRIO programs funded under title IV of the Higher Education Act.
Tyson Ward coordinates the Academic Resource Center for SSSP. He is also an adjunct lecturer for the English Department at CCNY. He has taught numerous courses in writing and literature since his arrival on campus in 2003. A native Californian, Mr. Ward earned a B.A. in English from the University of California at Davis in 1996 and went on to earn an M.A. in Renaissance Literature at the University of North Carolina at Chapel Hill in 1999. After working as a conversation instructor in Japan from 1999 to 2002, he moved to New York, where he completed an M.F.A. in the creative writing of poetry in 2008. Mr. Ward is also the test center supervisor for LSAC exams on campus. He is an enthusiast of poetry and basketball, not necessarily in that order.

Elizabeth Thangaraj earned her PhD in Educational Administration, Organization and Policy from the SUNY at Buffalo. She has served as the Chairperson and a Lecturer for St. Joseph’s College for Women’s Physics Department, an Academic Advisor at her former university, a Director of Orientation and Special Programs at Baruch College and several other fulfilling positions before engaging in her current position as SSSP Director at CCNY. Dr. Thangaraj has also been the recipient of several Awards and Recognitions, including her nomination for Most Outstanding Student Advocate at the CUNY Student Personnel Conference by the Provost Office.

Vatsala Ponnuraj possesses a background in teaching and educational administration. She managed the Goodwill Girls Boarding Home in India. She transitioned into a teaching career and served as the chair of the History department. Ms. Ponnuraj immigrated to the United States in 1994. She has volunteered at the Herman Day Care Center and worked at The Columbia Presbyterian Hospital. She joined SSSP in September 1997 to manage the day-to-day operations of the program. She holds an M.A. in Public Administration from CCNY. She is an executive board member in a national organization for women. Her hobbies are knitting, crocheting, quilting, needle work and gardening. She also loves to cook.
Prior to joining the Student Support Services Program during the 2007-2008 academic year, *Ann Bascom* worked at a non-profit mental health organization for ten years. Five of those years were served in a managerial position as a Residence Director. She graduated from The City College of New York with a Bachelor of Arts degree in Psychology, a Master of Arts degree in Sociology and a Master of Public Administration. She is passionate and committed to helping the underserved.

---

*Katherine Reynoso’s* admiration for the Sciences began in high school when she learned how every cell in our body works together to provide a greater function, creating life. Consequently, she obtained a Bachelor’s degree in Forensic Science from John Jay College. Katherine’s fascination with how genetic mutations lead to diseases and disorders guided her to pursue a Doctoral Degree in Molecular Biology at the CUNY Graduate Center. While conducting breast cancer research and having to teach undergraduates, Katherine realized that her greatest passion stemmed from the instant gratification she felt as she interacted and taught her undergraduate students how to appreciate the Sciences. Katherine has a Master’s in Biology from Hunter College. She is currently a counselor for SSSP and an adjunct lecturer. During her spare time, Katherine enjoys traveling, taking long walks and practicing meditation. Katherine hopes to continue to provide the guidance and care her students need for them to succeed.

Prospective students are invited to learn about SSSP’s activities, support services and meet program staff. Students may apply for admission to the program by the end of the event. All students who are eligible for the program are quickly welcomed and soon acclimate to SSSP. Refreshments are served.

SSSP’s May Awards Ceremony commemorates student members for their academic achievements and outstanding service to the program. The ceremony recognizes the leadership of its members and celebrates senior graduation. It is an opportunity to share in others’ good fortune, to eat, drink and be merry.

This December event represents the heart of SSSP: a body of students from diverse parts of the world who unite under the banner of one program that accommodates all. SSSP students celebrate their background interests and cultural lives. On this day, they may showcase old or new talents. All are invited to attend and/or perform at this event.

Every March, SSSP’s Academic Resource Center hosts a gathering for inquisitive minds, in celebration of scholastic achievement. Our students present research from across the disciplines. Faculty members and students explore the research exhibits freely. The presentations are interactive, inviting open discussion. Guests and presenters linger to enjoy refreshments and extend the conversation.
SSSP Fusion Club’s mission is to showcase the diverse group of students within our program and to fuse cultures through community engagement and cultural performances, whilst supporting different causes and advocacy. The club aims to build a supportive community within SSSP and allow students to interact and build relationships. Fusion club supports Breast Cancer Walk and Aids Walk. In addition, Fusion Club holds bake sales, Earth Day, and showcases talent at SSSP’s Cultural Diversity event.

Club President Rama Diallo is interested in implementing ideas from new members into the club. Fusion club works with other SSSP engagement initiatives to bring together SSSP members into the community. President Diallo meets with her committee to discuss new challenges for the club. SSSP counselor Ann Bascom serves as advisor to Fusion Club, supports them in their efforts and assists with the club’s expansion process.

Contact ssspfusioclub@gtest.ccny.cuny.edu. You can also like them on Facebook at CCNY SSSP Fusion Club.

LEI / Venture Club

The Leadership Engagement Initiative (LEI) club was established in fall 2015. The club has a developing emphasis of expanding professional support activities & professional awareness for SSSP & CCNY students. LEI facilitated several internship positions in fall 2015 and spring 2016.

The Venture aspect of the club embraces an exploratory spirit of discovering new things, setting personal challenges and unwinding. Ahalya Bodasing is the advisor for the LEI / Venture club. We are proud to collaborate with SSSP on the Scholar’s Showcase event. We look forward to expanding our activities in the new semester.
SSSP Grant Aid provides $600- $1,000 in the Spring and Fall semesters to SSSP Students who have unmet needs.

**Eligibility Criteria**

◊ Cumulative GPA of at least 2.5  
◊ Current, full-time, matriculated SSSP student  
◊ Must receive Pell award and have unmet financial need  
◊ Receive counselor’s recommendation  
◊ Enroll in CPDI  
◊ Submit an academic program plan with counselor’s signature  
◊ Must be an Active Member of SSSP  
◊ Evidence of registration for the new semester  
◊ Submit a personal statement offering insight into unmet financial need

The Charlotte & Arthur Zitrin Scholarship is a $5,000 scholarship. SSSP junior and senior students who demonstrate academic excellence and community service are invited to apply. Zitrin scholars serve as mentors and tutors in the SSSP program for 10 hours per week for two semesters. They also facilitate special leadership projects within the program.

**Eligibility Criteria**

◊ Cumulative GPA of at least 3.2  
◊ Current, full-time, matriculated SSSP student  
◊ Completion of at least 61 credits  
◊ Declared in a major  
◊ Register for current and new semester  
◊ Two recommendation letters  
◊ Provide a up-to-date resume  
◊ Personal statement addressing extracurricular, community and voluntary involvement, academic obstacles, financial need information  
◊ Interview with Committee in May 2016 *(applicant will be notified of date)*

*Application Forms for Grant Aid & The Zitrin Scholarship are available in the Main Office NAC 6/148*
The New Student Experience Center (NSEC)
MR 053 (212) 650-8290
www.ccny.cuny.edu/nsec

The primary advising center for **freshman and transfer students** who are undeclared or who plan to apply as internal transfers to the Grove School of Engineering or the Spitzer School of Architecture. They provide academic advising, career exploration and personal coaching. **NSEC** believes in creating a partnership with its students in order to work together to reach the students’ academic goals.

The Gateway Academic Center (GAC)
NAC 1/219 (212) 650-6115
http://www.ccny.cuny.edu/gateway/

A center that meets the needs of continuing students who have reached **sophomore status (31+ credits)**, remain undeclared in a major and who have not yet completed all of the requirements to apply to a professional school. **GAC** guides these students by addressing such issues as major choice, degree progress, research, career options, mentoring, tutoring, workshops and special events to help students navigate this critical year in their academic progress.

BA/BS Pathways Core Curriculum Checklists

These checklists assist the student in selecting appropriate core classes for a particular program of study.

The Office of Academic Standards (OAS)  
Willie Administration Building 206 / 216  
www.ccny.cuny.edu/standards

The Office of Academic Standards is the home for the Committee on Course and Standards for the College of Liberal Arts and Sciences (CLAS) and the Committee on Academic Integrity for CCNY. The OAS also handles Academic Probation, Dismissal and Reinstatement.

The City College of New York includes four professional schools and each one has its own Committee on Course and Standing. If you are appealing a professional course, your appeal goes to the Committee of that school.

◊ Bernard and Anne Spitzer School of Architecture – SSA 132  
◊ College of Liberal Arts and Sciences – Administration Building 206/216  
◊ Grove School of Engineering – Steinman 209  
◊ School of Education – NAC 3/223A  
◊ Sophie Davis School of Biomedical Education – Harris 113

OAS Co-ordinates:

◊ Applications for reinstatement (re-entry) after academic dismissal from CLAS or the Professional Schools and/or absence from CLAS for periods greater than one semester.
◊ Applications for Academic Forgiveness for illness, family crises, etc.
◊ Appeals for late course withdrawal or to make up Incomplete grades after the institutional deadline has passed.
◊ Grades contested by students.
◊ Requests for course substitutions to meet CLAS academic requirements.
◊ Faculty requests to change assigned permanent grades for undergraduate CLAS coursework.
◊ Faculty reported violations of the CUNY Academic Integrity Policy (plagiarism or cheating)

Go to Website to view pdf informational forms

The Office of Academic Standards DOES NOT handle:

◊ Appeals from graduate students  
◊ Appeals for Financial Aid or Veterans Administration benefits  
◊ Appeals for tuition refunds

The Honors Center provides Academic Support Services to students in the William E. Macaulay Honors College at City and the CCNY Honors Program. These two college-wide programs provide generous financial support from freshman through senior year to students in any discipline. Both programs are highly competitive!

**CCNY Honors Program Benefits**

◊ CCNY scholarships of a minimum of $5,000 per year and consideration for up to $10,000 per year
◊ Intensive Mentoring and Advisement from Faculty and Dedicated Honors Advisors
◊ First-Day Registration Privileges

**Macaulay Honors Program Benefits**

◊ Full-tuition scholarships for New York State residents
◊ A free Mac laptop
◊ A study grant of $7,500 to fund enriching experiences such as Study Abroad and Service Learning
◊ Special Interdisciplinary Seminars using NYC as resource and text
◊ Intensive Mentoring and Advisement from Faculty and Dedicated Honors Advisors
◊ First-Day Registration Privileges

**Applicants’ Eligibility Requirements**

Entering First-Year Students must have a High School Average of at least 88% and Appropriate Performance on the Standardized Tests, SAT or ACT.

**Students cannot be part of both CCNY Honors and Macaulay Honors**
The Publishing Certificate Program offers Undergraduate and Non-Matriculated Students a variety of Courses and Seminars through which they will acquire the Knowledge, Professional Skills, and Contacts necessary to enter the Publishing Industry.

◊ To receive their PCP, Students must take **Introduction to Publishing** along with three other Publishing Courses.

◊ Students with a 3.0 or above GPA are placed in Internships

◊ MCA and Design Majors must take two Editorial Courses

**Courses Offered**

◊ Digital & E-Book Publishing
◊ Introduction to Publishing
◊ Publishing Practicum
◊ Books for Young Readers
◊ The Editorial Process
◊ Fundamentals of Copyediting & Proofreading
◊ Legal Issues in Publishing & The Arts
◊ Introduction to Public Relations
◊ Introduction to Advertising
◊ Public Relations Writing
◊ Advertising Copywriting

◊ Advertising Management
◊ Advertising Planning
◊ Principles of Marketing
◊ Typography
◊ Graphic Design Concepts
◊ Illustration
◊ Electronic Design I
◊ Print Production
◊ Design: World Wide Web
◊ Electronic Design II
◊ Independent Study: Publishing Internship

Students interested in applying to the Program should Contact the Office or visit their website for Additional Information
The Skadden, Arps Honors Program in Legal Studies
NAC 4/134
(212) 650-8704
skaddenhonorsprogram@ccny.cuny.edu

The Skadden, Arps Honors Program in Legal Studies is a unique partnership between Skadden, Arps, Slate, Meagher & Flom LLP.

The Skadden, Arps Honors Program is looking for students who:
◊ Have GPAs at or over 3.3 and strong writing and critical thinking skills,
◊ Demonstrate a strong desire to go to law school and
◊ Exhibit maturity and self-discipline

The Program’s Benefits
◊ Up to $13,800 in Merit Scholarships
◊ Free LSAT Preparation
◊ Innovative Pre-Law Curriculum
◊ Mentoring by Practicing Lawyers
◊ A summer Internship with an $1,800 Stipend at a Law Firm or Legal Services Non-Profit
◊ Law School Application Workshops
◊ Lectures by Top Legal Scholars
◊ Access to the State of the Art Skadden Honors Center

The Program’s Requirements
Students interested in applying should submit both a digital and a hard copy of the application along with the supplemental required documents and notify the program’s office of their application submission.

◊ Two Year Commitment to the Program including two Summer & one winter sessions
◊ Attend a four-week summer institute designed to strengthen basic & critical thinking skills & introduce students to the legal profession
◊ Complete the legal studies curriculum
◊ Take the LSAT exam on the date specified by the program
◊ Participate in a six-week internship

SOUTH KOREA - Yonsei University International Summer School, Wonju
SPAIN - ULR Language, Literature, and Culture Program, La Rioja
Training courses are also offered for students to take full advantage of to prepare for acclimation to the new environment and gain knowledge necessary to function adequately, productively, and safely while abroad. These courses can be accessed through: https://www.ccny.cuny.edu/studyabroad/cultural-training-for-international-programs. In addition, using this link: https://www.ccny.cuny.edu/studyabroad/study-abroad-registration, you will see parameters that must be followed to garner a successful trip and to qualify the credits earned abroad as acceptable upon return.

For all CUNY opportunities, students must complete the E-Permit online and the Study Abroad Permit in the Study Abroad office. For students who may want to study abroad through another provider or school, you will need only complete the Study Abroad Permit.

Here is a list of schools within CUNY that you can study abroad through:

**For Students Using a Provider or a non-CUNY institutions:**

Students who would prefer to study abroad through a provider or school outside of the CUNY system must still seek advising from the CCNY Office of Study Abroad and International Programs.

Baruch College  
BMCC  
Brooklyn College  
College of Staten Island  
Hunter College

John Jay College  
Lehman College  
Macaulay Honors College  
Medgar Evers College  
Queens College

Students must:

◇ Apply to the non-CUNY program on their own. If any forms are to be signed by a study abroad advisor at CCNY, please speak with an advisor in the office.

◇ File a non-CUNY Study Abroad Permit for the credits they aim to earn abroad once they have been officially accepted.

◇ Seek required approval from department advisers for each desired course.

◇ Provide proof of international health insurance or purchase coverage through CCNY’s account with CISI (required)

◇ Arrange to have official transcripts sent to the CCNY Office of Study Abroad and International Program to the attention of the Office of Study Abroad.

◇ Be advised that no grades are transferred from non-CUNY programs. Only pre-approved credits will be transferred.

◇ Be aware the transferring of credit from abroad, especially through a non-CUNY program, may take an extended amount of time.  It is not advised to participate in a study abroad program and plan to immediately graduate upon return.

All interested students MUST consult the Study Abroad Office in NAC 5/216, complete the application process, and be formally interviewed by Study Abroad!
This center is a startup incubator located at the City College of New York offering co-working space and an array of resources including: annual competitions, a startup boot-camp, mentorship and pro-bono services, networking opportunities, and rapid prototyping facilities.

**AN APPLIED EDUCATION**
Zahn inspires CCNY students to approach their education as change-makers, transforming classroom learning into real-world application. Each semester we partner with various academic departments to create curricula to cultivate the entrepreneurial mindset. We also pair students with startups and other companies in the NYC area through our robust internship program.

**A COMMUNITY OF CHANGEMAKERS**
Zahn invites all entrepreneurial thinkers to join their diverse community by attending their public events. They host prominent entrepreneurs, investors and other innovators to City College’s campus, they host hackathons, workshops and other programs throughout the year. They also encourage students to join one of their startup teams or become a part of the Center through the Student Entrepreneurship Club.

Z.I.C. has two locations on campus:
The Grove School of Engineering Steinman Building which is specifically for prototyping.
The Marshak Science Building which is specifically for co-working.

Within these spaces, the Zahn Innovation Center endeavors to foster an environment whereby students, with the entrepreneurial aptitude, can bring their ideas and cultivate them, enhance them, and develop them to the point where the ideas are realized. To assist in this effort, Zahn offers tools, work space, time for prototyping, organizational assistance, internships (96 created so far), startup capital ($4,000,000 invested so far), and opportunities to enter competitions ($144,000 in prize money awarded so far). Through this, 92 Graduated Startups have been created so far.
Research Centers

The City College boasts nineteen Research Centers & Institutes, all of which are multidisciplinary. They are funded by prestigious and highly competitive grants. These centers offer advanced research education to students of all levels.

Benjamin Levich Institute For Physico-Chemical Hydrodynamics
Center For Algorithms And Interactive Scientific Software (CAISS)
Center for Advanced Engineering Design and Development (CAEDD)
Center for Analysis of Structures & Interface (CASI)
Center for Exploitation of Nanostructures in Sensors & Energy Systems (CENSES)
Center for Film, Journalism & Interactive Media

CUNY Academic Works - CCNY
CUNY Academic Works is the City University of New York’s Institutional repository. It collects and provides access to the research, scholarship, and creative works of the faculty and students at the City College of New York. In service to CUNY’S mission as a public university, content in Academic Works is freely available to all.

Ching-Jung Chen, Ph.D.
Digital Scholarship Librarian
cchen@ccny.cuny.edu
(212) 650-8754
http://academicworks.cuny.edu/cc/ (Website)
There is One Application with specific sections for each of the CCNY Scholarships. To apply, visit: [http://www.ccny.cuny.edu/admissions/scholarships-awards.cfm](http://www.ccny.cuny.edu/admissions/scholarships-awards.cfm), Scroll down to the Gray Area under City College Online Scholarship Application, Create an Account and Fill out the General Section of the Application. Then be sure to find the specific scholarships you are applying for and filling out the required sections before submitting. Read all the given instructions as some applications also require a hard copy.

Counseling Services

The Counseling Center offers short term individual and group counseling to help students deal with their personal and adjustment issues that may interfere with their ability to progress academically to their fullest potential. You are welcome to walk in, call the center or send an email. Services are free of charge to City College Students.

The Counseling Center helps with many issues including:

◊ Family Difficulties
◊ Feelings of sadness
◊ Struggles with motivation
◊ Time & Stress Management
◊ Relationship Problems
◊ Difficulties Focusing on Schoolwork
Emergency Grants Program for currently enrolled students in degree granting programs who are not in debt to the College. These grants can assist students for short-term, non-recurring emergencies with a one-time grant to alleviate the situation. Any matriculated student in good standing, who is experiencing a current and unforeseen emergency, is eligible to apply for a grant.

Providing quick response emergency grants to matriculated students in good standing with short-term financial emergencies to enable them to remain in school, rather than being forced to take a leave of absence or drop out. Circumstances include but are not limited to:

- Illness or death in the immediate family
- Homelessness due to loss of housing, for student and dependent family members
- Documented theft of books, and other essential academic belongings
- Domestic violence
- Temporary job loss

Provides assistance to students at risk of dropping out of college due to unexpected financial emergencies. Dreamkeepers assistance was created to help students stay in college and meet their educational goals, ultimately, securing a better financial future. Circumstances include but are not limited to:

- A minimum GPA of 2.00 for undergraduate & 3.00 for graduate students
- Graduate students must be matriculated & be in good academic standing

- Utilities
- Housing / Rent
- Food / Meals
- Public Transportation / Bus Passes
- Child Care
- Gas
- Students must have a record of good conduct
- Students must have paid tuition to the City College of New York
Our Office assists students and scholars who are not permanent residents of the U.S. with a variety of academic and counseling support services. We assist overseas citizens who are adapting to life in the U.S. while pursuing their education with items such as obtaining Social Security cards, employment permission, driver's licenses, bank accounts, foreign exchange permits, and military service deferrals. Professional counseling assistance is available for students with immigration concerns, or academic and personal difficulties. The Director of this busy program is Maribel Marua.

CCNY Immigration Center

### CPDI Student Professional Development Fund
The **Student Professional Development Fund** issues small reimbursement grants to City College graduate and undergraduate students to defray the cost of attending conferences, professional and academic workshops. CPDI will continue to accept applications up until all the funds have been awarded. Visit the CPDI Office for availability and Application Process.

### Planning for Graduate School
For those who want to further your career academia and earn your Master’s Degree, begin looking into Graduate Schools now and follow the Graduate School Application Timeline. Many schools begin accepting applications as early as the Fall Semester of your Senior Year and some do not accept applications for Spring Admission. Test Prep books are also available. Visit CPDI’s Graduate School Timeline at: [http://www.ccny.cuny.edu/cpdi/graduate-application-timeline.cfm](http://www.ccny.cuny.edu/cpdi/graduate-application-timeline.cfm)
Make a difference in your community by becoming part of the service community at CUNY. Members work with over 120 partner organizations on projects that promote and improve the short and long-term civic, economic, and environmental sustainability of New York City, its communities, and residents; all while earning $12/hr, working 12hrs/wk for 24 weeks over the course of the Fall and Spring semesters. Approximately 800 students from participating institutions have already been mobilized to fulfill the mission of the CUNY Service Corps.

Beginning in Spring 2015, and recurring every Spring, CCNY will recruit over 100 of our most motivated and dedicated students to join the ranks of the CUNY Service Corps and build on the experiences and successes of our counterparts.

**Eligibility Criteria**

Be working toward an undergraduate or graduate degree  
Be enrolled full-time (at least 12 credits for undergraduates; 9 for graduates) in Spring 2016  
Plan to enroll full-time during the 2016 - 2017 academic year  
Have a cumulative GPA of at least 2.5  
Will have earned at least 24 college credits by the end of Summer 2016  
Will have satisfied any remedial education requirements prior to the beginning of the Fall 2016 semester  
Have the proper work authorization required by the U.S. Citizenship and Immigration Services (USCIS); F-1 & J-1 Visa holders welcomed  

**Students should also demonstrate that they:**  
Want to be part of a special and important program that will make a difference in the lives of New Yorkers  
Are interested in and dedicated to helping people, neighborhoods, and/or community organizations and public service agencies  
Have previous experience in a job or as a volunteer or intern  
Can balance work in the CUNY Service Corps with college studies and other co-curricular commitments  
Show promise as a leader and a problem-solver  
Are able to work as a member of a team  

Students must submit an online application (which includes essays and a recommendation letter) and participate in a group interview. CUNY Service Corps students are not permitted to be employed by the Research Foundation on any projects outside of the Service Corps during their tenure as Service Corps Students.
On-Campus Student Employment
Shepard Hall Room 53A

Shamaya Green  
College Assistant Coordinator  
(212) 650-6065  
sgreen@ccny.cuny.edu

Giovanni Sanchez  
HR Assistant  
(212) 650-7739  
gsanchez@ccny.cuny.edu

Monday—Friday 9:00 AM - 5:00 PM

The Office of On-Campus Employment was developed to allow students to form a sense of community through the development of professional experiences and connections with CCNY’s Faculty and Staff while offsetting the cost of education.

Benefits

◊ Flexible Schedules  ◊ Networking Opportunities
◊ Professional Settings/Skills  ◊ Accredited Resume Building

Typical Job Description

◊ General Office Duties  ◊ Student Services
◊ Technology  ◊ Ensuring the department excels

Students generally work up to 20 hours per week and are paid bi-weekly. Students are expected to help their employer ensure that the Department by which they are employed runs smoothly and that daily goals and students’ needs are met. It is a great opportunity for students to not only get acquainted with CCNY’s Staff, but to also gain exposure to the professional world while acquiring valuable skills from a credited institution.

Students are eligible for On-Campus Employment so long as they are registered for classes and meet all the requirements to work in the United States.

To learn more about On-Campus Employment Opportunities and Applications, log on to https://www.ccny.cuny.edu/hr/oce

Be sure to complete all required Forms.
CityServ is a campus based service learning opportunity available to CCNY students. Its goal is to link CCNY students to the surrounding community through community service and volunteering. Students can work in various fields such as: Health Care, Childcare, Education, Public Safety, recreation, community improvement.

CCNY Green is an organization on campus devoted to helping CCNY become a Sustainable Campus by lowering its Carbon Footprint. It tackles issues involving Energy Usage, Transportation, Water Usage, Recycling, Sustainable Nutrition, Sustainable Outreach, and Sustainable Education.

If you have any ideas for new Sustainable Projects, do not hesitate to contact CCNY Green by visiting their office or by sending them an email at the aforementioned email address.

As an emergency medical unit, VES consists of New York State Department of Health certified Emergency Medical Technicians and First Responders. All VES members are trained and certified by the American Heart Association to administer CPR, First Aid, and the use of automated external defibrillators (AED). Each duty crew consists of 4-5 members, dispatched by CCNY campus security, and work with NYC*EMS to provide early pre-hospital care. On average, VES responds to at least 100 emergency calls per year. VES holds group training sessions for CCNY students.

Student Life and Leadership Development: Clubs & Organizations

The Department of Student Life provides meeting space and support for more than 200+ student organizations. These organizations cover a wide array of interests including academic clubs, cultural clubs, religious clubs, and social clubs. To learn more about these and other clubs, visit our office and speak to one of our staff members or check the contact info for the clubs listed, go to http://clubreg.wixsite.com/thelivecampus/club-listings

Fall Club Registration

Applies to:

New Undergraduate and Graduate clubs
Pre-existing Undergraduate and Graduate clubs that did not pre-register in the Spring

STEP ONE: Attending a club registration workshop
STEP TWO: Meeting the following criteria
STEP THREE: Submit the following information via Campus Groups
Your Club Roster
Your Executive Officers
Your Faculty Advisor
Your Constitution

STEP FOUR: After you have registered with Student Life a mailbox will be assigned to your club in NAC 1/210

SPRING PRE-REGISTRATION (SPRING OF EVERY YEAR)

Only clubs that have an ACTIVE status for the academic year 2015-2016 will be able to pre-register in spring 2017.

With pre-registration:

Clubs get priority on funding.
Reserve space early for club events and activities
Eligible to reserve a space in the Summer Leadership Retreat than clubs that register in the fall

REQUIREMENTS: Undergraduate Clubs

4 officers - GPA 2.0 or better
You will need a faculty or staff member to act as your faculty advisor.
15 members minimum (in addition to four executives)
All members must be undergraduate students
THE CAMPUS (founded in 1907)

NAC 1/119
212 650-8177 / 8178
general@ccnycampus.org

The Magazine acts as a paper of record of events and policies related to the CCNY campus and its surrounding communities. For submission of articles, contact ccnycampuswebsite@gmail.com

THE PAPER

NAC 1/118
212 650-5029/5081
thepaper@ccny.cuny.edu

This is a resourceful tool for educating the student body in regards to politics, social justice and world news. The Paper is dedicated to the African American community in Harlem, diverse CUNY student body and the world at large.

SAME TV

NAC 1/117
212-650-5028/5014
CCNYSAMETV@gmail.com

This organization provides members with hands-on experience in the television/broadcasting fields.

WCCR

NAC 1/108
212-650-5027 – Office
212-650-8171 - On Air
wccr@ccny.cuny.edu

This is a student run station with a great collection of talented radio personalities, journalists, DJs and artists joining together to create great programming, music and events. WCCR broadcasts Monday—Friday: 11:00 AM - 7:00 PM on 590AM, on campus and online.

WHCR—FM

NAC 1/513
212-650-7481 – Office
212-491-6903 - On Air
WHCR903FM@WHCR.org

A community radio station broadcasting from the campus of the City College of New York, seeks to provide skills in communications and related disciplines to students here at the college and community members. WHCR seeks to empower listeners by providing informative, educational and cultural programming that speaks to the diverse populations of Harlem, upper Manhattan; and some sections of the Bronx, Queens, and New Jersey.
The Center for Arts (CCCA) serves as a cultural hub that builds a sense of community within the school and its surrounding neighborhood, while inspiring creativity and diversity. Numerous performances occur on the campus in the Aaron Davis Hall. Tickets are available online at http://adhatccny.org/ or visit or call Aaron Davis Hall.

The Poetry Outreach Center works to encourage the creation and appreciation of poetry at all levels of education and to strengthen Literacy through Creative Writing. CCNY Students and Faculty conduct workshops in NYC Public Schools and encourage students to participate in Poetry Events such as the Annual Poetry Festival, Poetry Contests, and the Annual Anthology.

The Simon H. Rifkind Center for the Humanities & The Arts promotes CCNY’s Cultural Activities in the Humanities & Arts through Special Events, High School Outreach Programs and Publications associated with the college.

The Langston Hughes Festival aims to celebrate and expand upon the literary legacy of Harlem Poet, Langston Hughes. At the Festival, The Langston Hughes Medal to the most distinguished writers associated with the African Diaspora. The Festival’s Itinerary includes a Day of Salons, Scholarly Conferences & Symposia celebrating Langston Hughes’ Legacy, and a Creative Performance by the Medal Winner.

Students should apply and complete their Free Application for Federal Student Aid (FAFSA) applications before the priority deadline of March 15. For the most recent information on application filing procedures, academic progress requirements, and other eligibility criteria, contact the Financial Aid Office.

NEW YORK STATE AWARDS
Tuition Assistance Program (TAP) A grant for full-time undergraduate students who are residents of New York State and who are U.S. citizens or eligible noncitizens.

Aid for Part-Time Study (APTS) Aid to part-time (6-11 credits) undergraduates for their educational expenses.

NYS Science, Technology, Engineering and Mathematics (STEM) Incentive Program A full CUNY tuition scholarship for the top 10 percent of students in each New York State high school if they pursue a STEM degree in an associates or bachelor degree program and agree to work in a STEM field in New York State for 5 years after graduation.

FEDERAL AWARDS (TITLE IV AID)
Pell Grant A grant to all students who show evidence of need.

Campus-Based Aid Programs Funds from the three federal programs—Federal Work-Study (FWS), Federal Perkins Loan, and Federal Supplemental Educational Opportunity Grant (FSEOG)—are awarded to eligible students who attend on at least a half-time basis.

Federal Work Study Program Students are offered job opportunities to earn wages on and off campus while pursuing their course of study.

Federal Perkins Loan Low interest loans awarded to students based on available fund.

William D. Ford Federal Direct Loan (Subsidized and Unsubsidized) Loan granted to students in degree granting programs and are enrolled at least half-time from the federal government. Applicants must fill out their FAFSA application along with a loan application.

William D. Ford Federal Direct PLUS Loans Loan granted to parents of dependent students.

OTHER FINANCIAL AID
New York State Scholarships and Awards: Children of Deceased or Disabled Veterans and Deceased Police Officers, Firefighters and Corrections Officers; Professional Opportunity Scholarships; State Aid to Native Americans; New York State World Trade Center Memorial Scholarships; and Veterans Tuition Awards.

Veterans and children of deceased or permanently disabled veterans may contact the Office of Veterans Affairs located in Wingate Hall, Room 107 Phone (212) 650-5374.

Macaulay Honors College Full tuition coverage and access to a Macaulay Opportunities Fund grant of up to $7,500 to be used for global research, internships and service, and a laptop. Recipients chosen based on grades, SAT scores, and an evaluation by the College Honors Committee.

World Trade Center Memorial Scholarship covers the cost of tuition, fees, books and supplies, transportation, and room and board for four full-time academic years. It is awarded to the children and spouses of victims of the terrorist attacks of September 11, 2001, or as a result of the rescue and recovery efforts related to those attacks.
**Federal Aid to Native Americans** members of, or at least one-quarter degree Indian blood descendants of a member of an American Indian tribe who are eligible for the special programs and services provided by the United States through the Bureau of Indian Affairs, and are accepted for admission to an accredited college pursuing a four-year degree.

**Alternative Loans** International students, non-matriculated and/or less than half-time students may be eligible to receive a private loan to help with their educational expenses.

**City University Supplemental Tuition Assistance Program (CUSTA)** provides supplemental assistance of up to $100 per year to full-time undergraduate students who would experience an automatic decrease in their TAP award beginning in the fifth semester.

**SEEK Counseling and Student Support Services/The Percy Ellis Sutton SEEK Program** based on family income and financial need demonstrated via the FAFSA, SEEK and SSSP students may qualify to receive program stipends to assist with the costs of their education.

**Student Aid Association** approximately 150 scholarships are awarded per year to City College undergraduate students who might otherwise have difficulty pursuing their studies.

**MERIT BASED SCHOLARSHIPS**

**The City College of New York Scholarship Program** The City College offers a variety of scholarships to entering freshmen, transfer and continuing students. Scholarship information can be obtained from the College’s website or the Office of Admissions (212-650-6977) See Page 22

**The New York City Council Merit Scholarship** rewards New York City high school graduates who have proven their ability to succeed academically while they were in high school.

**Grants** – Money that does not have to be repaid and is usually based on financial need. **Scholarships** – Money that does not have to be repaid and usually is awarded on the basis of academic merit. **Loans** – Money that is borrowed for college and must be repaid with interest.

**Work-Study** – Money earned from a job provided by the Financial Aid Office at the college

**Satisfactory Academic Progress (SAP) Requirements** All students must satisfy qualitative and quantitative academic standards in order to remain eligible for federal financial aid. Those who fail to meet the standards will have their aid suspended until they meet the minimum standards.

**Study Abroad** Financial aid is available for students who attend an approved study abroad program. Credits taken must be applicable to the student’s degree.

**Tuition Payment Plan** CUNY colleges participate in the TuitionPay monthly installment payment plan to help families budget tuition and fee expenses. For details about the program visit www.tuitionpay.com/cuny or the Office of the Bursar at your CUNY college.
To qualify for a New York State Tuition Assistance Program (TAP) award, students must meet the applicable New York State Satisfactory Academic Progress (SAP) standards. Students are evaluated based on when they received their first TAP payment and whether or not they are in a remedial program. The following charts explain the New York State Education Department guidelines which detail the SAP standards a student must meet to be certified for each TAP payment.

*Undergraduate Architecture, BioMed, and SEEK students are eligible for 10 semesters while all other qualified undergraduate students are eligible for 8 semesters.

**SEEK students are considered remedial and will be evaluated against the 2006 SAP Standards chart.
New York State Tuition Assistance Program Academic Requirements

To be eligible for a TAP award, students must be enrolled for at least 12 credits or the equivalent. Courses may be counted toward full-time study only if they are applicable toward a degree, as described in the college bulletin. Electives are acceptable when taken in accordance with published degree requirements. A student may take courses not applicable to a degree in a given semester as long as the coursework is above the minimum full-time requirement of 12 credits.

TAP Certification Requirements:
- Credits counted must meet appropriate course categories and degree requirements as described in the Bulletin.
- Complete a specific number or percentage of credits in appropriate coursework in the previous semester.
- Accumulate a specific number of credits in appropriate coursework towards your degree in the previous semester.
- Maintain a specific minimum GPA (grade point average) at specific points.

Declaring a Major: To be considered matriculated for state financial aid purposes; the New York State Education Department requires that the student declare a major by the beginning of the junior year.
- The major must be declared by the time you complete 60 credits and within 30 days of the end of the drop/add period.

Repeated Courses: Repeated courses in which you have already received a passing grade cannot be included in meeting the TAP full-time study requirement. Repeated courses may be counted toward the full-time study requirement if you:
- Repeat a course that you have previously failed
- Repeat a course for additional credit
- Received a passing grade that is unacceptable in a particular curriculum.
- If you are repeating a course in order to earn the "C" required for your major, your major must be noted in your academic record even if you have not yet completed 60 credits.

TAP Waiver: Students who fail to meet the SAP standards may apply for a TAP waiver. Students may be granted a waiver of the TAP academic requirements once as an undergraduate with the expectation that they will meet all requirements in the future. Students may apply for multiple waivers of the "C" average requirement.

Conditions/Restrictions for the waiver are:
- Must have a good overall record with academic difficulties concentrated in one term.
- An appeal must be based on circumstances outside the College.
- The reason must be extenuating extraordinary, or unusual, fear of failing a class does not meet this standard.
- Documentation must be provided to support a waiver request.

Ability to Benefit: Ability to Benefit (ATB) test must be passed if a student does not have a high school diploma or GED from within the United States.
- The ATB regulation applies to all students who are first-time state aid recipients in the 2006-2007 academic year or thereafter.
- Beginning in summer of the 2008-09 academic year, students must take the ATB exam within the add/drop period of the term.

Summer TAP Award

Accelerated Study: Students qualify for accelerated study (summer TAP) only upon earning 24 credits applicable towards their degree program at City College.
- The 24 credits must be earned in the prior two semesters preceding the start of the accelerated term.
- The student must be full-time in the term preceding the accelerated term.
- The student must be in good academic standing prior certification of the accelerated term.
- Transferred credits cannot be included in the 24 credit requirement.
Federal Satisfactory Academic Progress Standards for Title IV Financial Aid

City College students must satisfy the following qualitative and quantitative academic standards in order to remain eligible for federal financial aid. These qualitative and quantitative standards refer to the following Title IV Federal Aid programs: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study, Federal Perkins Loan, and William D. Ford Federal Direct Student Loans.

City College students will be measured against the Title IV Satisfactory Academic Progress Standards at the end of each spring semester in order to determine eligibility for the upcoming year. Students who fail to meet the college's academic standards listed below will be placed on "probation". All students will be eligible for federal aid during their first semester on probation. Eligibility for federal financial aid after the first probationary semester will be determined by the City College Academic Progress Appeals Committee.

**Qualitative Standard:**

Undergraduate students – Students must achieve the following Grade Point Average (GPA) at City College:

- 0 - 12 attempted credits = 1.50 GPA required
- 13 - 24 attempted credits = 1.75 GPA required
- 25+ attempted credits = 2.00 GPA required

Graduate students – must achieve a GPA of 3.00.

**Quantitative Standard**

Undergraduate students - In addition to achieving the required Grade Point Average students must also accumulate credits toward the degree according to the following City University standards:

Attempted credits must be no more than 150% of the credits (180 credits) needed for the completion of the degree and credits earned must be equal to or greater than two-thirds of the credits attempted.

or

If the above quantitative standard is not met, a student may be eligible to receive financial aid by meeting the following City University conditional standards:

Credits earned must be equal to or greater than 75 percent of the credits attempted minus 18. Conditional standard formula: Credits earned ≥ [(0.75 x credits attempted) – 18]

The chart below summarizes City University's quantitative standards.

<table>
<thead>
<tr>
<th>BA Degree (120 credit degree x 1.5) = 180</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Cumulative Credits Attempted</strong></td>
</tr>
<tr>
<td><strong>Cumulative Credits Earned</strong></td>
</tr>
<tr>
<td><strong>Cumulative Credits Earned/Conditional Standard</strong></td>
</tr>
</tbody>
</table>
Graduate students – In addition to achieving the GPA required for good academic standing, the following City University standards must be met:

Attempted credits must be no more than 150% of the credits required for the completion of the degree and credits earned must be greater than or equal to two-thirds of the attempted credits.

Determination of Cumulative Attempted Credits and Cumulative Earned Credits

Withdrawals – Courses that are “dropped” during the “add/drop” period will not be counted as cumulative attempted credits. Withdrawals that are recorded on a student’s permanent record will be included as cumulative attempted credits and will have an adverse effect on a student’s capability to meet the appropriate standard.

Incomplete Grades – Courses with incomplete grades are included as cumulative attempted credits. However, these courses cannot be used as credits accumulated toward the degree because successful completion is the criterion for positive credit accumulation.

Repeated Courses – Successfully completed courses can generally be accepted towards degree requirements once (cumulative earned credits). Repeated courses, regardless of the prior grade, reduce a student’s capacity to meet the required credit accumulation standard.

Transfer Students – Transfer students shall have their status initialized for the purpose of measuring satisfactory academic progress by using the number of credits determined to be acceptable toward the degree as both the student’s cumulative attempted credits and cumulative earned credits.

Change of Degree – If a student changes his or her objective and begins pursuing a different degree, the student will be subject to the maximum time frame for the new objective without regard to time spent pursuing the previous degree.
Access **Blackboard** through CUNY Portal by clicking the **Blackboard** link, located at the top left of the Welcome Page. Not every professor uses Blackboard so only the courses that use Blackboard will be on Blackboard.

The **Home Page** will display a list of your courses on the top right, and a list of your organizations and announcements directly underneath. To the left of the page are a set of tools through which you can access your grades, tasks, calendar and more.

Click on any of your courses to access their personal page. This page will include assignments, announcements, documents, grades and other information pertaining to that class.

Through your Blackboard account, you can submit your assignments by clicking the **Course Material** link on the course page; which will grant you access to the different assignments of said course. Click on the specific assignment to upload your submission.

You can also access documents and other information posted by your professor through the **Contents** link located to the left of the Course’s Home Page. Grades and other announcements can also be seen through their respective Blackboard links.

The pull down tab next to your name on the top right corner of the screen also has quick links to your other courses, new posts, updates, and the grades and announcements you have not yet viewed. A red number next to your name will indicate that you have unseen items in those areas.
To log into CUNYFirst visit [https://home.cunyfirst.cuny.edu/oam/Portal_Login1.html](https://home.cunyfirst.cuny.edu/oam/Portal_Login1.html)

Log in to CUNYFirst. If a first time user click New User and follow the prompts to activating your CUNYFirst account.

After logging in you will be greeted with various announcements and opportunities opened to City College students and CUNY wide events. By clicking the Student Center you can access your academic and semester billing and financial aid information. Register for classes and more.

The homepage of the Student Center shows Academics and Financial records, the student’s Personal Information. Along the right hand side you can view Holds, To Do List, Enrollment Dates, Advisory Information and more.

In order to view a semester bill, obtain financial records, pay a bill, set up direct deposit, or view pending aid you can click on any of the links in the Finances section.

To add classes, click **Search** within **Academics** and you can look at what courses are offered.

In order to view your grades, course history, order a transcript, or apply for graduation, click **My Academics** to view the options given.
Access DegreeWorks through your CUNY Portal by clicking **DegreeWorks – Online Advisement System**, located at the top left of the Welcome Page. Your Degree Works page will include your basic information, major, minor, credits and GPA. All courses, including transferred credits are included.

The first page displays the courses you will need in order to graduate based on your major. Completed courses are labeled with a green check, remaining courses with an empty red square and courses in progress with a blue curved line. You can display the list of missing courses by switching the view from **Student View** to **Registration Checklist**.

Use the **What-if** to stimulate a change in or an addition to your major or minor. You can then see the additional courses that you would need to take and how your completed credits will apply to the desired major or minor.

Three calculators are available:
- **Graduation** – How you will need to perform to graduate with a certain GPA. **Term** – How will your anticipated grades for the semester affect your GPA. **Advice**—How many credits and what grades do you
Instructions for Making Appointments in AdvisorTrac

Log in to AdvisorTrac at http://advisortrac.ccny.cuny.edu

Enter the first part of your CCNY email and use your regular email password. Follow the instructions below:

1. Visit https://advisortrac.ccny.cuny.edu
2. Log in using your Citymail credentials (your username is your address up to the @)
3. Once logged in, you will see the welcome screen below.
4. This screen will display all of your upcoming appointments.
5. To make a tutoring appointment, you must file a referral with your SSSP counselor.
6. To make an advising appointment, consult your SSSP counselor for further instructions.
