Unscheduled Campus Closings

- Don’t risk it
  If the weather conditions will make it treacherous for you travel to CCNY for testing, do not put yourself in danger; there are alternatives.

- The College coordinates unscheduled closings for weather or other emergencies with The City University of New York. As soon as a decision is made to close the College it will be posted on the College’s website, communicated to the local television and radio news stations, such as NY1, 1010 WINS, WCBS, etc. regarding any delays, cancellations, closings, or campus emergency.

- If the College is closed, testing sessions will be cancelled; please do not come on campus. The testing center and the office of Evaluation and Testing will be closed as well. We will contact you with rescheduling information.
