

**The Faculty Senate  
The City College of New York**

October 24, 2016

Dear Colleagues,

We write to announce the results of the City College Presidential Search Committee election, held in the Faculty Senate plenary meeting on October 20, 2016, per the elections process that was announced by email to all faculty on Monday, October 17 (see attached letter).

The three faculty members who will serve on the Presidential Search Committee are:

David Jeruzalmi, Professor, Chemistry and Biochemistry, Science  
Ilona Kretschmar, Professor, Chemical Engineering, GSoE  
Adrienne Petty, Associate Professor, History, Humanities and Arts

Vote counts are available in the Faculty Senate office and on the Senate's web page.

Please join us in thanking all who expressed a willingness to serve, and in wishing our representatives well as they undertake this difficult but important task.

Sincerely,

The Faculty Senate Executive Committee

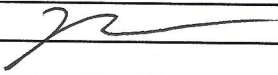

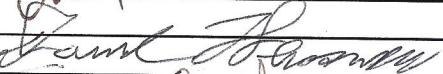

Professors Bruce Cronin, Anne Kornhauser, Renata Miller, Richard Steinberg, David Weissman

(Jorge Gonzalez and David Jeruzalmi recused themselves from the above)

Presidential Search Committee Election Ballot  
October 20, 2016  
Shepard Hall 304  
The City College of New York

We are electing three members to the search committee for a new president of City College.

Please select three candidates by marking (X) the boxes next to their names. Ballots with fewer or more than three candidates selected are invalid. The three candidates with the highest number of votes will be on the search committee. In the event of a tie, candidates with the same number of votes will be in an immediate run-off election.

Presidential Search Committee Election Ballot  
October 20, 2016  
Shepard Hall 304  
The City College of New York

We are electing **three** members to the search committee for a new president of City College.

Please select three candidates by marking (X) the boxes next to their names. Ballots with fewer or more than three candidates selected are invalid. The three candidates with the highest number of votes will be on the search committee. In the event of a tie, candidates with the same number of votes will be in an immediate run-off election.

- Carlos Aguasaco, Associate Professor, Interdisciplinary Arts and Sciences
- Rob Barron, Associate Professor, Theatre and Speech, Humanities and Arts
- Jorge Gonzalez, Professor, Mechanical Engineering, GSoE
- Marilyn Gunner, Professor, Physics, Science
- Marta Gutman, Professor, Architecture
- Karen Hubbard, Professor, Biology, Sciences
- David Jeruzalmi, Professor, Chemistry and Biochemistry, Science
- Ravi Kalia, Professor, History, Humanities and Arts
- Ilona Kretzschmar, Professor, Chemical Engineering, GSoE
- Rajan Menon, Professor, Political Science, Colin Powell School
- Stephen O'Brien, Associate Professor, Chemistry and Biochemistry, Science
- Adrienne Petty, Associate Professor, History, Humanities and Arts
- Susan Semel, Professor, Secondary Education, Education
- Maria Tamargo, Professor, Chemistry and Biochemistry, Science
- John Tarbell, Professor, Biomedical Engineering, GSoE
