THE CITY COLLEGE

REVISED GOVERNANCE PLAN

NOTES

1. All titles within this Governance document refer to current organizational structure. It is to be understood that if a position takes on a new title, it is to be the new title which is to fill the appropriate role.

2. Where Chairman or other such title is used, it is to be understood not as a sex designation, but a convenient shorthand term.

3. For Bylaw purposes, the position of Vice Provost for Student Affairs will carry with it the responsibilities of Dean of Students.

4. For purposes of the Bylaws and the rights and responsibilities granted therein, Lecturers and Instructors who have received notice of reappointment on an annual salary basis for a third or later year of continuous full-time service, and all individuals in professorial titles, shall have Faculty rank.

PREAMBLE

The Governance of The City College is the concern of all its members. All its constituencies — students, faculty, and administration — contribute to the maintenance and development of The College; each of the constituencies has its particular area of concern.

Because each constituency has the right to govern itself in areas that are its exclusive concern and responsibility, this document sets forth the powers and organization of the various bodies within The College and guarantees their autonomy on matters exclusively within their jurisdiction. But because the constituencies are interrelated, and because all must participate in the well-being of The College as a whole, this Governance document also provides for communication between constituencies and advisory roles and joint participation on matters of mutual or general concern.

b. in Departments with more than one-hundred majors and graduate students, thirty percent must vote.

If this fails, then the Departments shall be under "plan b" provided that at least fifteen percent of the majors and graduate students in the Department have voted. If none of the previous conditions are met, the Vice Provost for Student Affairs will make recommendations to the President as to the appropriate structure. At least each time, at the election of the Chairman, the Department shall consider its choice of either "plan a" or "plan b."

A detailed study of the workings of the student input shall be made by the Office of Institutional Research, and reported to the President for his consideration by October, 1974. The General Faculty Council may also, through adoption or amendment of its Bylaws, delegate to the Divisional Faculty Councils such powers as it deems appropriate.

**ARTICLE XI**

**The Office of the Ombudsman**

The Office of the Ombudsman is not intended to replace the normal channels of administrative process. It is an exceptional procedure, to be used only when the normal channels do not adequately respond.

a. The areas of responsibility of the Ombudsman are:

   i. Equity - to help individuals in specific cases to seek just and equitable treatment;

   ii. Critical Review - to help administrative functionaries (whether connected with student government organizations or with the officers of the Faculty or the administration) to improve their process and procedures, not only to correct a particular inequity or injustice, but also to prevent its recurrence; and

   iii. Recommendation and Report - to recommend such changes in procedure and practice as may be appropriate, and to make final, public report on his actions.

b. The methods appropriate to the Ombudsman will be those which are appropriate to the foregoing functions:

   i. As to Equity, the Ombudsman will

   (a) afford full opportunity for the presentation, in confidence, of any complaint or grievance, from any student or any member of the Faculty or the staff alleging unfairness, inequity, discourtesy, undue delay, or other malfunctioning in the processes of The City College;
(b) investigate, in confidence, to determine the degree of validity of the complaint.

(c) mediate or otherwise resolve the problem, arriving, in confidence, at what appears to be a just resolution (including the dismissal of the complaint or recommendation of action based on the verified complaint); and

(d) report the disposition of the specific case directly to the Office of the President.

Notwithstanding the foregoing, in all cases of alleged inequity, injustice or malfunction, the Ombudsman will not be expected to concern himself with the normal operations of grievance process or disciplinary procedures which are established by the Board of Trustees or by appropriate College bodies and authorities, except that he may, on the sole basis of his own judgment, inquire into possible or alleged unfairness or inequity resulting from possible bias or malfunction in any of these proceedings, and make confidential report thereon to the Office of the President.

ii. As to critical review, the Ombudsman will

(a) be receptive to all suggestions, comments and criticisms regarding the general functioning of College processes and procedures (as distinguished from individual grievances or complaints of inequity);

(b) make appropriate inquiries;

(c) make recommendations, in confidence, to the administrative officer who heads the particular unit involved; and

(d) report to the Office of the President as to the disposition of such recommendations.

iii. As to recommendation, the Ombudsman will, in addition to any recommendations submitted in connection with the foregoing functions, from time to time and annually, make such report and recommendations as he deems wise, directly to the Office of the President, with such substantiation as may be appropriate.

The primary task of the Ombudsman is to serve as a confidential investigator in any specific case of alleged inequity, unfairness or maladministration, and therein to be the impartial spokesman, both to the person or persons making the complaint and to the person(s) against whose performance the allegation is brought. The Ombudsman is to have access to all relevant facts in the case. He is to enjoy the complete cooperation of the individual officer(s) of instruction or administration against whom complaints have been brought. He is to receive cooperation from any complaint. He is to carry out his work in privacy and with full respect for the rights and immunities of all parties.

Having completed his inquiries, he will make such disposition of each case, as, in his sole judgment, is best. He may dismiss the charges as being without foundation or merit. He may recommend corrective action to achieve justice or equity in the particular case. He will determine the question of equity and fairness not on the basis of opinion or bias or preference, but on the basis of whether or not the rules, guidelines, and other governing statutes have been followed honestly and fairly, and without undue delay. If he finds a particular rule or regulation or statute is itself unfair or makes for inequity, he may convey that finding to the Office of the President; but he may not at the same time make a finding against an individual who has faithfully adhered to the guidelines then governing the case.

His secondary, but no less important, task is to make recommendations which seem appropriate to him for changes in the rules, practices, procedures and regulations by which administrative functionaries of the student body, Faculty or administration are guided.

Thirdly, he may recommend changes in procedures and practices which do not involve changes in the rules, regulations, guidelines and statutes.

In arriving at any of the foregoing recommendations, he will consult carefully and fully with the particular officers and of fices involved, keeping the President informed of progress.
In addition, should the Ombudsman arrive at conclusions which are critical of the operations and practices of the Office of the President, or Presidential disposition of specific cases duly reported by the Ombudsman to the President, he will so inform the President; and if there is no resolution of the problem which is satisfactory to him, the Ombudsman may take the matter directly to the Board of Trustees, informing the President as he does so.

The powers of the Ombudsman include:

a. access to all records pertinent to any allegation of inequity or injustice or other grievance coming under his jurisdiction;

b. the right to inquire of any officer of instruction or of administration, or of any member of the clerical and custodial staffs, or of any student, in connection with his proper inquiries, and to receive full and complete answers;

c. the right to mediate or otherwise arrive at a compromise or to arrive at his own proposal for solution of the problem at hand;

d. the right to present his recommendations for solution to the parties involved and to report such recommendations to the supervisory officers of the person(s) involved and to the President; and, having completed the foregoing processes, in confidence;

e. the right to make final public report in the matter.

The Office of the Ombudsman shall be headed by a member of the tenured Faculty, elected by the Faculty each year, at the same time as the election for the Faculty Senate. The electorate shall be the same as for the Faculty Senate. Nominations shall be by petition of at least twenty-five signatures, and there shall be at least two candidates. Failing this, the Faculty Senate shall nominate a sufficient number. A reduced teaching schedule should be afforded for the Ombudsman.

In the Office of the Ombudsman there shall also be a student, preferably one who is in his final year as an undergraduate, elected at the same time as the election for the Undergraduate Senate. The electorate shall be the same as for the Undergraduate Senate. Nominations shall be by petition of at least twenty-five signatures, and there shall be at least two candidates. Failing this, the Undergraduate Senate shall nominate a sufficient number. The Student Ombudsman will perform his duties in consultation with the Faculty Ombudsman, when desirable.

ARTICLE XII
Joint Committees

A committee on student affairs shall keep under continuous review the standards and conditions of extracurricular activities, as well as regulations affecting freedom of expression and student conduct. The membership shall consist of five: two Faculty, two undergraduate students, and one graduate student. The Faculty Senate shall annually select the Faculty members; the Undergraduate Senate, the undergraduate student members; and the Graduate Student Association, the graduate student member of the Committee. The Vice Provost for Student Affairs shall be an ex officio member.

A committee on student discipline shall establish a proper judiciary, establish structures and procedures, and codify rules and regulations governing conduct, leaving to the judiciary the safeguarding of due process within the academic community. The Committee shall also be responsible for continual review of the effectiveness of structures, procedures, rules, and regulations. The Committee membership shall consist of six: three Faculty, two undergraduate students, and one graduate student. The Faculty Senate shall annually select the Faculty members; the Undergraduate Senate, the undergraduate student members; and the Graduate Student Association, the graduate student member of the Committee. All structures, procedures, and codes developed by the Committee shall be in effect when approved by the parent bodies concerned. In case of failure of ratification by the bodies, such proposals shall be brought before a joint conference of six representatives (three Faculty, two undergraduate students and one graduate student) for agreement and final ratification by the bodies. In the absence of a final ratification, the Vice Provost for Student Affairs
shall make recommendation to the President who shall establish appropriate procedures.

The College also establishes the practice of Faculty-Student Joint Committees in Curriculum and Teaching. At the Department level, in the Curriculum Committees of the several Faculties, and the Committee on Educational Policy, student members are to be included. Each Faculty and its Departments are responsible for developing and implementing the specific measures for carrying out this policy.

From time to time other Joint Committees should be set up by the mutual agreement of the respective bodies.

The budget prepared by the Student-Faculty Intercollegiate Athletic Committee shall be sent for consideration and final decision to both the Faculty Senate and the Undergraduate Senate after consultation with the Vice Provost for Student Affairs. In the event that the two bodies should disagree on any item, a final decision shall be made by the Committee consisting of: three Executive Committee members of the Undergraduate Senate, to be chosen by the Undergraduate Senate; three Executive Committee members of the Faculty Senate, to be chosen by the Faculty Senate; and one member mutually agreed upon by the other six Committee members.

ARTICLE XIII

Community Advisory Committees

One or more community advisory committees may be established by the President as one means of soliciting the advice of the community's citizenry with respect to the goals, programs and directions of The College. The Committees shall have full opportunity to initiate as well as to react. Members of the administrative staff, Faculty, and student bodies may be invited to meet with the Committees.

ARTICLE XIV

I. Amendment Procedure

A proposal to alter the Governance Charter of The City College may be initiated by the President, or by a majority vote of the Faculty Senate, or by a majority vote of the Undergraduate Senate and the Graduate Student Association and the Evening Student Senate acting jointly, or by a petition of five (5%) percent of the student body, or by a petition of ten (10%) percent of the Faculty which is eligible to vote for members of the Faculty Senate.

The initiator of the proposal shall choose which of the two alternative amendment procedures specified below shall be followed. Should the proposed amendment fail, the President, or the Faculty Senate by resolution, or the Undergraduate Senate, the Graduate Student Association and the Evening Student Senate acting jointly by resolution, may elect that the other amendment procedure be utilized.

A. Referendum Process

In a valid Referendum, thirty (30%) percent of the eligible voters must vote. Eligible voters are all those eligible to vote for members of the Faculty Senate or a student government association. Both a majority of the Faculty voting and a majority of students voting are necessary for the proposed amendment to be submitted to the Board of Trustees of The City University of New York for consideration.

B. Legislative Process

The President, after consultation with the Faculty Senate, the Undergraduate Senate, the Graduate Student Association and the Evening Student Senate, shall determine which of these organizations are the affected legislative bodies. Each of the affected legislative bodies must vote in favor of the proposed amendment in order for it to be transmitted to the Board of Trustees of The City University of New York for consideration. The affected legislative bodies shall vote on the proposed amendment in the following manner. The proposal shall be presented at a meeting at which a quorum is present. At least sixty (60%) percent of the members present must vote in favor of the proposed amendment for it to be approved by that legislative body.
If the proposed amendment receives the approvals specified in either the Referendum or in the Legislative Process, the President shall transmit it to the Board of Trustees of The City University of New York for their consideration.

II. Records

All findings, actions, reports and recommendations of the bodies and offices described in the Governance Charter shall be made in writing. One or more copies must be sent to The College's Archives, and be made available to all members of The College.

III. Governance Charter and Board Bylaws

This Governance Charter shall take precedence over those Bylaws of the Board of Trustees of The City University of New York inconsistent with it.

Note: Also see Interim Amendment to the City College Governance Plan adopted by the Board of Trustees on March 27, 1995, Cal. No. 6.C.; and the Revision of Academic (Governance) Reorganization adopted by the Board on September 28, 1998, Cal. No. 6.C., both of which supersede any inconsistent provisions in this governance Plan.
