DWIGHT DAVID EISENHOWER TRANSPORTATION FELLOWSHIP PROGRAM (DDETFP)
2015 EISENHOWER HISPANIC SERVING INSTITUTION (HSI) FELLOWSHIP

CITY COLLEGE OF NEW YORK

PROGRAM OBJECTIVES
The Eisenhower Transportation Fellowship Program provides funding for the pursuit of Associates, Bachelors (junior and senior), Masters or Doctoral Degrees in transportation related fields. The program objectives are to attract the nation's brightest minds to the field of transportation; to enhance the careers of transportation professionals by encouraging them to seek advanced degrees; and to retain top talent in the transportation industry of the United States. The Dwight David Eisenhower Transportation Fellowship Program encompasses all modes of transportation.

ELIGIBILITY REQUIREMENTS
An applicant applying for the Eisenhower Hispanic Serving Institution (HSI) Fellowship must be:

- At least an undergraduate junior or higher by the start of the Fall 2015 Semester
  - To be considered for the award, an undergraduate Civil Engineering student should have at least junior standing by credits and have completed CE332.
  - To be considered for the award, students from all other disciplines should have completed at least 15 credits in your major; if you have a question about your specific case, please contact the campus program manager.
- Graduate students must possess a baccalaureate degree from an accredited U.S. Institution
- Pursuing a degree in a full-time program and be enrolled for the entire academic year
- Pursuing a degree in a transportation-related discipline (see attached list)
- Willing and able to conduct ongoing research in one or more transportation-related disciplines
- Planning to enter the transportation profession after completing his or her higher level education
- Non-U.S. citizens must submit a certified copy of their I-20 ID or I-551 issued by the U.S. Immigration & Naturalization Service (INS)

PROGRAM REQUIREMENTS
As Eisenhower HSI Fellowship Recipients, students will be expected to:

- Work with a faculty advisor on a transportation-related research topic
- Meet twice per semester with the Campus Program Manager to discuss academic and research progress
- Attend the Transportation Research Board’s Annual Meeting in Washington, D.C. in January 2016
- Submit a research abstract for possible presentation at the TRB Annual Meeting
- Submit a final report on research findings
- Maintain a GPA of 2.7+

FACULTY ADVISOR
Students are required to identify a faculty advisor with whom they will work on research. If you need help in identifying a faculty advisor in your specific area of concentration, first look at the faculty profiles on the CCNY website and contact a faculty member working in your field of interest. If you still need help in identifying an advisor, please contact the Campus Program Manager.

CRITERIA FOR EVALUATION
Eisenhower Fellowships will be awarded on the basis of merit. Merit includes:

- Academic Record
- Proposed Plan of Study
- Letters of Recommendation
- Related Work Experience (if any)
