The GSOE and Department of Computer Science announce a revised

Minor in Computer Science

Open to students who have passed Math 201 and 202 with a grade of C or better
and have demonstrated proficiency in math and science courses

The Minor consists of the following courses:

CSc 10300 Introduction to Computer Science (3 cred.)
CSc 10400 Discrete Mathematical Structures (4 cred.)
CSc 21200 Data Structures (3 cred.)
CSc 22000 Algorithms (3 cred.)
CSc 22100 Software Design Laboratory (3 cred.)
One 300- or 400-level CSc course* (3 cred.)

19 credits total

*Suggested courses for final 3 credits:
CSc 33200 Operating Systems
CSc 33500 Programming Language Paradigms
CSc 33600 Introduction to Database Systems
CSc 47300 Website Design

Registration for each course is contingent upon completion of posted pre-requisites

For more information contact
the Computer Science Department:
212-650-6631

Note: Students who completed CSc 10200 before Spring 2012 do not have to take CSc 10300
