**IMedia Information Technology** provides technology support for Faculty, i.e. cables to connect to the projector in classrooms, etc. Once you have received your CCNY ID you can go to the IMedia office, located on the 5th Floor in the NAC Building, and fill out a form to earn access to submit a request online. Once you are signed up with IMedia, you can continue to request cables/wires etc. via the website and the material will be waiting for you once you pick it up. Please note you cannot pick up material more than half an hour before class and it is your responsibility to make sure all borrowed materials are returned. Students are not allowed to pick up materials for you.
