MANDATORY TUBERCULIN TEST

MEDICAL CLEARANCE BASED ON A TUBERCULIN SKIN TEST (AND CHEST X-RAY IF NECESSARY) IS A MANDATORY PRE-REQUISITE FOR FIELD EXPERIENCES.

TB tests are given at no charge through the Wellness and Counseling Services Center, Science Building (J) Room 15 to all registered students.

Please call for hours of operation at 212-650-8222. There is a high demand for tests at the beginning of each semester. Call as soon as possible for an appointment.

If you have taken a Tuberculin test in the last year please provide documentation of the results.

- NEGATIVE tuberculin test is valid for 1 year
- POSITIVE tuberculin test with chest x-ray is valid for 5 years

STATE LAW REQUIRES THAT YOU SUBMIT DOCUMENTATION OF A VALID TUBERCULIN TEST BEFORE ENTERING THE CLASSROOM.

If you use a private physician, a statement written on letterhead by the physician indicating the medical exam results and the tuberculin test form or the Office of Field Experiences Medical Form MUST BE STAMPED BY A PHYSICIAN and must be submitted to the Office of Field Experiences BEFORE entering the classroom.
