IMPORTANT FEDERAL DIRECT LOAN INFORMATION

• Every first-time borrower must complete a federal Master Promissory Note (MPN). After entrance counseling is completed click on “Complete MPN” on the left side of the webpage. Follow the instructions and be sure to print a copy of your MPN for your records.

  **Note:** Students with an approved Federal Direct Loan MPN already on file will not have to submit another one. One approved MPN will enable loans to be certified and "linked" to the original MPN for up to ten (10) years at any college or university in the United States.

• A student borrower will also receive a “Statement of Disclosure” from the US Department of Education in the mail. It will indicate the approved loan amounts and the anticipated dates of disbursement.

As of 12/1/2013, a loan origination fee of 1.072 % will be deducted from each student loan disbursement and a loan origination fee of 4.288 % will be deducted from each PLUS loan disbursement.

(Annual (academic year), loan limits are listed below and on the front of the City College loan request form.)

• Interest rates as of 7/1/2014: Undergraduate - Subsidized & Unsubsidized: 4.66%
  Graduate or Professional Unsubsidized: 6.21%
  Parent & Graduate PLUS loans - 7.21%

  (2015-16 interest rates have not yet been announced by Congress)

• A student will always be certified for their Subsidized loan maximum before being certified for an unsubsidized loan.

• Most loans will be paid in at least two disbursements.

• A student’s loan may have to be reduced if additional financial aid is awarded after the loan has been processed. A loan may also be reduced or cancelled if a student drops below half-time or withdraws from school.

• Parent PLUS loan applications are available for dependent students. Parent PLUS loan requests are subject to credit approval. Parents may borrow up to the students “cost of attendance”.

• Students who wish to use their Federal Direct student loan to pay their tuition bill must bring their bill to the Financial Aid Office. A loan can only be used to pay a student’s bill after all other financial aid, (i.e. Pell, TAP, CUSTA and SEOG), has been applied.

• Grad PLUS loan maximums are based on “cost of attendance” less all other financial aid.

• City College students who borrow federal direct loans have an average indebtedness of $21,258.

• Please ask to speak a financial aid counselor, if you have any questions.
