When you look at the quality and cost of a CUNY education, you see right away that it is a tremendous value. But still, the cost of a college education is a significant investment and one to be carefully considered.

If you think you will need assistance to pay for educational expenses, we recommend that you apply for financial aid. While you and your family have the primary responsibility of paying for your education, funding is available from the federal, state and city government and from CUNY to help you pay college expenses. These expenses include tuition and fees, room and board, books and supplies, and transportation.

Types of Financial Assistance

Grants — Money that does not have to be repaid and is usually based on financial need.
Scholarships — Money that does not have to be repaid and usually is awarded on the basis of academic merit.
Loans — Money that is borrowed for college and must be repaid with interest.
Work-Study — Money earned from a job that is provided by the Office of Financial Aid at the college.

Financial Aid Applications

To determine whether you are eligible for financial aid, you must complete the following applications each year:

FAFSA (Free Application for Federal Student Aid) Visit [www.fafsa.gov](http://www.fafsa.gov) to apply for federal financial aid.

TAP (Tuition Assistance Program) Visit [www.hesc.ny.gov](http://www.hesc.ny.gov) to apply for this financial aid program for New York State residents.

THE CITY UNIVERSITY OF NEW YORK
Prepare to Apply
Collect your parents’ and, if applicable, your income tax returns, Social Security numbers, W-2 form(s) and any other records of income and assets. Tax information can be estimated and corrected later if a tax return has not yet been completed. Get free information and assistance from a school counselor, the Financial Aid Office at the college you plan to attend, or the U.S. Department of Education at www.studentaid.ed.gov or call 1-800-4-FED-AID (1-800-433-3243).

Get a Federal Student Aid PIN - www.pin.ed.gov
Your PIN allows you to sign your FAFSA online and view and/or make corrections later. You and at least one of your parents will each need a PIN. Save your PIN as you will need it to reapply and access your Student Aid Report (SAR) each year.

Complete the FAFSA - www.fafsa.gov
Applying for federal student aid is free. You can apply before you have been admitted to CUNY, starting January 1 of your senior year of high school (or for the academic year you plan to attend). To apply visit www.fafsa.gov. For free help to complete your FAFSA or to obtain a paper FAFSA you can call the Federal Student Aid Information Center at 1-800-4-FED-AID (433-3243).

IRS Data Retrieval Tool
The IRS Data Retrieval Tool allows you and your parents to access the IRS tax return information needed to complete the Free Application for Federal Student Aid (FAFSA). Students and parents may transfer the data directly into their FAFSA. It’s available 1-2 weeks after you file your income tax return electronically. If you are eligible to use the IRS Data Retrieval Tool, it is highly recommended that you use the tool for several reasons:

- It’s the easiest way to provide your tax data.
- It’s the best way of ensuring that your FAFSA has accurate tax information.
- You won’t need to provide a copy of tax transcripts or returns to your college.
Link to TAP on the Web From Your FAFSA Application
(For New York State Residents)
After you complete the FAFSA you will be taken to a confirmation page; click on the state application link to apply for New York State-based financial aid. This will enable you to apply for TAP.

If you miss the link to the TAP application, you will receive an email from the NYS Higher Education Services Corporation (HESC), only after your FAFSA is processed, with information on how to apply for TAP.

Receive a Student Aid Report (SAR)
A few days after you complete the FAFSA you will receive an email with a link to your Student Aid Report (SAR). The SAR contains a summary of your FAFSA information and a calculation of your Expected Family Contribution (EFC) — the number used to determine your federal student aid eligibility. Review your SAR to see if additional information or corrections are needed. You can also access your SAR at www.fafsa.gov

Verify Your Data
The Federal Processor selects a certain number of applicants for a verification process. If you are selected (which will be indicated on your SAR), you will need to submit requested documents to the Financial Aid office at the CUNY college you will be attending to verify the data you supplied on your FAFSA.

Receive Your Financial Aid Award Notification
Once your financial aid applications are completed and you demonstrate financial need, the colleges you have been accepted to will send you an award notification to indicate the financial aid programs for which you qualify.
Evaluate College Costs and Financial Aid Packages

One of the most important factors when selecting a college is whether the institution will meet your educational needs. Additionally, you and your family must consider the cost to attend college when deciding where to enroll.

Cost of Attendance (COA)
When planning for college, you need to review the total Cost of Attendance (COA), which includes tuition and fees, housing (room and board), transportation, books, supplies and personal expenses. If you plan to live at home, the estimated cost for attending CUNY full-time for nine months includes tuition and fees plus approximately $7,100 for all other costs. If you plan to live away from home, the estimated cost is approximately $19,800.

Expected Family Contribution (EFC)
Your Expected Family Contribution (EFC) is the amount you and your family can reasonably contribute toward yearly educational costs based on the information you supply on your FAFSA. Factors such as your family’s income, size, certain assets, taxes paid and the number of family members who will be attending college are used to compute your EFC.

Your EFC is used to determine the amount of federal financial aid you may qualify for, such as Pell, Federal Work-Study and subsidized federal loans. In addition, the EFC can be used to determine your eligibility for various college scholarships. For federal financial aid, your EFC is calculated the same way for every college.

Financial Need
Financial need is the difference between Cost of Attendance and your Expected Family Contribution.

COA – EFC = Financial Need

CUNY Net Price Calculator
To help determine the financial aid you may receive, a Net Price Calculator is available on the CUNY website. This tool calculates an estimated financial aid award package along with an estimated cost of tuition and fees. The Net Price Calculator also helps compare
costs at CUNY to other institutions so that you can determine which colleges are most affordable for you. Visit www.cuny.edu/financialaid to access the Net Price Calculator.

Financial Aid Package
Based on your financial need, CUNY constructs a financial aid package for you. The financial aid package may include various types of financial aid to help cover all or part of your college costs. If you have financial need, you may be eligible for grants, work-study and subsidized loans.

The following pages contain information on the financial aid programs that may be included in your financial aid package based on your eligibility.
Programs to Help Finance Your Education

CUNY Programs

Individual College Scholarships
www.cuny.edu/scholarships

Each CUNY College offers a variety of academic and merit-based scholarships. To apply for scholarships at individual CUNY colleges, students are generally required to complete a FAFSA and, sometimes, an individual scholarship application. Information about these scholarships can be found at the website listed above.

Tuition Payment Plan
CUNY colleges participate in the TuitionPay monthly installment payment plan to help families budget tuition and fee expenses. For details about the program visit www.tuitionpay.com/cuny or the Office of the Bursar at your CUNY college.

Outside Scholarships

There are thousands of private organizations that provide scholarship assistance to college students. These scholarships are based on a variety of factors. To search for scholarships, you should use free search services such as the collegeboard.com website. You do not need to pay someone to help you with your scholarship search.

Programs for New York State Residents
www.hesc.ny.gov

To be considered for New York State programs you must:
• Be a New York State resident.
• Submit the FAFSA and TAP applications.
• Be admitted into a degree program.
• Make academic progress toward your degree.
• Not be in default on a federal student loan or owe a refund of financial aid.

Tuition Assistance Program (TAP)

TAP is a grant for New York State residents who attend a college full-time in New York State. TAP grants are based on the applicant’s and his/her family’s New York State net taxable income. Undergraduate TAP awards range from $500 to $5,000 annually. Prior to completing your TAP application you must first file the FAFSA.

Part-Time Assistance for New York State Residents

New York State provides two financial aid programs for students pursuing a degree while taking from 6 to 11 credits: the Part-Time Tuition Assistance Program and the Aid for Part-Time Study Program. The amount of each grant is determined
by the student’s family income, number of credits taken and the availability of funds from New York State. In addition to the TAP application you must submit a CUNY supplement form which is available on the CUNY Portal in the financial aid section.

**CUNY Opportunity Programs: SEEK/CD and ASAP**

SEEK (Search for Education, Elevation and Knowledge) is a New York State program available at CUNY four-year colleges which is designed to assist students who are both academically and financially disadvantaged. CD (College Discovery) is the companion program funded by New York City at most community colleges. Admission into the SEEK or CD program is part of the CUNY admission process.

ASAP (Accelerated Study in Associate Program) is offered at most CUNY community colleges to allow motivated associate degree students to complete their degree more quickly and efficiently.

**Other State Scholarships and Awards**

New York State offers a number of special scholarships for students who excel in high school or plan to pursue particular academic objectives. For information about these scholarships visit [www.hesc.ny.gov](http://www.hesc.ny.gov).

**Federal Government Programs**

To be eligible for federal financial aid programs, students must:

- Be a United States citizen or eligible noncitizen.
- Fill out a FAFSA.
- Gain admission to a degree-granting program.
- Maintain good academic standing and make satisfactory progress toward the completion of a degree.
- Register with the Selective Service (for males between the ages of 18 and 25).
- Not be in default on a federal student loan or owe a refund of financial aid.
- Register for at least six credits except for Pell Grants, which can be awarded if you are registered for as little as one credit.

**Federal Pell Grants**

For the 2013–2014 academic year, Pell Grants provide up to $5,645 per year and are awarded to part-time and full-time undergraduate students who have not yet earned a bachelor’s or graduate degree. Students are eligible to receive a Pell Grant for up to 12 semesters or the equivalent.

**Federal Supplemental Educational Opportunity Grants (FSEOG)**

If you demonstrate exceptional financial need, CUNY may award you funds from FSEOG. Funds are limited and preference is given to students who receive a Pell Grant.
Federal Work-Study (FWS)
The Federal Work-Study program provides you with an opportunity to be placed into a part-time job that accommodates your academic schedule. If you are awarded Federal Work-Study, you may be placed in an eligible off-campus or on-campus job. Each college’s Financial Aid Office can help you find a Federal Work-Study job.

Loans

Federal Direct Loans
CUNY participates in the Federal Direct Loan program in which you may borrow funds directly from the federal government to help cover the costs of college. Like all other loans, these loans must be repaid with interest. If you have financial need you are eligible for a subsidized Federal Direct Loan and interest will not be charged as long as you maintain half-time enrollment.

To apply for a Federal Direct Loan, you must:
• Complete the FAFSA.
• Request the loan directly from the Office of Financial Aid at the college.
• Complete an entrance interview, which provides you with information regarding the loan’s terms and conditions.

Additional information:
• You must sign a promissory note.
• If you request a Federal Direct Loan you may decline the loan later by notifying the Office of Financial Aid at the college.
• You do not need a co-signer to qualify for a Federal Direct Loan, and there is no credit check.
• Interest rates for Federal Direct Loans issued through June 30, 2014:
  - Subsidized Loans = 6.8% *
  - Unsubsidized Loans = 6.8% *
• Repayment periods vary from 10 to 30 years.
• Repayment begins six months after you graduate, leave college or drop below half-time study.

Federal Perkins Loans
Federal Perkins Loans are low-interest loans available to students who have exceptional financial need. CUNY serves as the lender and

*Maximum loan amounts are based on eligibility.
funding is limited. The interest rate is set at 5 percent and repayment begins 9 months after the loan is disbursed. To apply for a Federal Perkins Loan you must complete the FAFSA.

**Federal PLUS Loans for Parents**
Your parents may be eligible to apply for a Federal Plus Loan to help pay your college expenses. You, the dependent student, must complete the FAFSA before your parent(s) can apply for a PLUS Loan.

Additional information:
- PLUS loan borrowers are subject to credit checks.
- For the 2013–2014 academic year the interest rate on Federal PLUS Loans is 7.9 percent. \(^*\)
- The interest rate may be recalculated on July 1 each year.
- Contact the Office of Financial Aid at the college for more information about Federal PLUS Loans.
- Repayment on PLUS Loans begins 30 days after disbursement. Your parent(s) can defer payment as long as you are enrolled at least half-time, although interest will continue to accrue.

**Veteran Education Programs**
CUNY welcomes and supports veterans, reservists and survivors and their family members. There are programs to help veterans finance their education from the federal and New York State governments. For more information on these benefits and how to apply for them, visit [www.cuny.edu/veterans](http://www.cuny.edu/veterans) and choose “Financing Your Education.”

**Federal Income Tax Credits and Deductions**
There are tax credits available to help you offset the costs of higher education by reducing the amount of your income tax. Certain borrowers can receive a tax deduction for the interest actually paid on student loans for postsecondary education expenses. For information on both benefits visit [www.irs.gov](http://www.irs.gov) to view IRS Publication 970, *Tax Benefits for Education*.

\(^*\)Interest rates are accurate at the time of publication. Visit [www.studentaid.ed.gov/types/loans/interest-rates](http://www.studentaid.ed.gov/types/loans/interest-rates) for the most current rates.
Financial Aid Eligibility

Attendance
To qualify for financial aid you must begin attending your classes. Attendance information is collected from your instructors and is used to determine whether or not you began attendance in each of your classes. The credits for unattended classes will not be counted when calculating your enrollment status for determining your financial aid eligibility.

Withdrawal
Federal financial aid is awarded with the expectation that you will attend school for the entire period for which the awards were intended. If you withdraw from all your classes before you have completed the semester, the college will determine the portion of your federal awards you are entitled to receive according to a prescribed attendance formula.

Withdrawal from some or all of your classes may also impact your eligibility for New York State financial aid for the current or subsequent semester(s).

Satisfactory Academic Progress (SAP)
In accordance with federal and state guidelines and CUNY policy, you must be making satisfactory progress in your program of study in order to remain eligible for federal and state awards. Your academic record will be evaluated at least once each year according to the satisfactory progress standards established for each financial aid program. Please see your college's website for more detailed information regarding these standards.

Information contained in this booklet is accurate at the time of publication.
# FAFSA and TAP School Codes

When filling out your FAFSA and TAP application, you must provide a college code for each CUNY college where you wish to have your information sent. The FAFSA and TAP codes for the individual CUNY colleges are listed below.
