This atelier is a forum for students to collaborate in developing an annual performance. Through their own medium, e.g. photography, video, acting, dancing, painting, set design, etc., participants are encouraged to explore their own artistic growth.

This atelier is offered to aspiring actors speaking French and to anyone who has a desire to improve French language skills through improvisations, movements and diction.

RENDEZ-VOUS TUESDAY, FEBRUARY 10, 2015 @ 4.30pm in NAC 6/359
