Tuition Payment Plans:  [www.salliemae.com/landing/CUNY/](http://www.salliemae.com/landing/CUNY/)

City College offers the option of making tuition payments on a monthly basis through the “TuitionPay Plan”, which is administered by Sallie Mae. The TuitionPay Plan is an interest-free alternative to lump-sum payments at bill time.

CUNYCAP students work approximately 20 hours per week, receive a salary of $10.00 per hour, and are eligible for a tuition waiver of up to six CUNY graduate credits for each of the fall and spring semesters at the resident rate. They provide assistance within the areas of admissions, financial aid, career development, counseling, academic advisement, health services and student activities at all CUNY senior and community colleges. Some participants work within several New York City high schools through CUNY’s Office of Admission Services and College Now Program. To be eligible, candidate must hold a bachelor's degree from any CUNY college, be enrolled as a matriculated student in a CUNY graduate program, and have available 15-20 hours per week during the fall and spring semesters.

Emergency Grants and Loans:

CCNY operates several emergency loan and grant programs for currently enrolled students who have paid their current semester’s tuition bill and are not in debt to the College. Emergency grants may be used due to emergency situations such as job loss, fires and destruction of property, theft, overdue utilities bills and shut-off notices, and medical bills that students are unable to pay. The Student Support Office has two available emergency grants: Dreamkeepers and Petrie. Students may only apply for one of the grants. International Students are encouraged to apply for the Petrie Grant. The Richter Tuition Loan is available to help students complete current semester tuition bill payment. The maximum tuition loan is $500. **Location:** Marshak Building, Room J-15. **P:** 212.650.8222
